1. The Board of Supervisors received a draft of the agreement for the Fire Company. It was presented to the members of the Fire Company at the May 18, 2026, monthly supervisor meeting. It needs to be reviewed by the Fire Company. If an agreement can be reached the documents will then be signed officially and documents will need to be recorded.
2. At the May 18, 2026, meeting, a resident asked for information about a previously discussed matter. It was brought to question as to who takes over the cemeteries maintenance in the Township should the churches close. Michelle discussed this matter with the Solicitor, to which he stated the Township is not obligated to assume responsibility for the cemeteries. As neither churches are currently closed, this isn’t a concern for the Township Supervisors, but in the event this occurs, the Solicitor will help us proceed with this matter.
3. During the February 02, 2026, meeting Supervisor Cymbala discussed the Township’s need for a new plow truck. Quotes were previously obtained in 2024 when the Township applied for a statewide grant. Supervisor Frey stated new quotes should be obtained and once obtained it can be discussed further. Supervisor Cymbala has received quotes for the vehicle. Motion to approve the quote and proceed with the purchase of the new winter maintenance vehicle made by _____ 2nd by _____.
