We will make all efforts to have services terminated, suspended, or added in a timely manner but be aware that action may not be taken on requested day.

If you are discontinuing a trash service, please have the trash can empty and available for pick up by requested day.

Please DO NOT turn on/off your water meter yourself to reduce the risk of damages to the meter, setter, and shut off valve, etc. You will be held liable for any damage resulting from turning your meter on and off yourself.

We will forward any final billing statements or deposit credits to the address listed above. Final billing may include any prorated amounts for services used within the billing cycle until day of disconnect.
