## No Elections This Fall

There are no elections this fall. The next election is currently scheduled for Tuesday, February 20, 2024. For those residents who have moved into Blooming Grove since the last election (or since they last voted), it is suggested you come into the Town Hall to register to vote. You can do this any time of the year; just bring a valid proof of residence document with you. Details for voter registration can be found on the Town's website: [www.blmgrove.com](http://www.blmgrove.com).

## Four years remaining in the Town's existence.

In 2006 the Town of Blooming Grove and City of Madison approved an agreement, known as the Cooperative Plan. The Plan is lengthy and detailed, but the end result is the Town will cease to exist as of October 31, 2027. Any and all properties in the Town at that time will automatically be annexed into Madison.

Between now and then the Town will continue to provide services to its residents and businesses just as it has been. For those who are interested, the entire Plan can be accessed from the Town's website at [www.blmgrove.com](http://www.blmgrove.com) (click on "Links").

### Town Office Hours

The Town Office is open  
8:00-4:00 Monday thru  
Thursday and 8:00-  
noon on Friday.

## Yard Waste Collection

Fall yard waste collection runs from October 15 through November 30 (unless accumulating snow gets in the way before then). Please make sure that yard waste, and only yard waste, is placed in bags that are tied at the top and weigh no more than 40 pounds. Put these bags by the road, and they will be picked up within a week.

For those that want to go the extra mile, you can use paper bags instead of plastic bags. Heavy-duty paper bags, made especially for this purpose, are easier for the Public Works staff to dispose of, and are better for the environment because they are biodegradeable. These kind of bags are available online or at virtually any home improvement or hardware store. The Town appreciates your consideration!

### Chipping Brush

The Town's Public Works staff chips brush once a month from November through March. You can do your part to help make the Town's operations more efficient by piling your brush all in the same direction, with the butt ends facing the road. Only branches 6" or less in diameter will go through the chipper.

Check out the detailed parameters of what will and will not be chipped, by going to [www.blmgrove.com](http://www.blmgrove.com). From there, click on "Chipping Policy".

### Dane County Clean Sweep

The Dane County Clean Sweep Facility is located at the landfill site and operates year round. The facility accepts various items including hazardous chemicals and electronics from Dane County residents. Clean Sweep also accepts hazardous chemicals from businesses and farms. For further information call 608-838-3212.

### Access to Town Government

If you're interested, you can get the Town Board's meeting agendas emailed to you. Simply contact Mike Wolf at the Town Office and let him know. He can be reached at [bgadmin@blmgrove.com](mailto:bgadmin@blmgrove.com) or 608-223-1104.

### Cemetery Spaces for Sale

There are spaces for sale in the Blooming Grove Cemetery, located just to the east of LaFollette High School on Pflaum Road. A space costs \$1000 for non-residents, and just \$400 for Town residents.

Contact the Town Office at 608-223-1104 for details.

## You can (easily) help keep our Lakes & Rivers clean!

Gutters and culverts transport material directly to our community's lakes and rivers. For that reason it's important that we make an effort to minimize solid material that goes downstream.

You can do your part by bagging your leaves, and putting them out for your Public Works staff to pick up. Leaves naturally have phosphorous in them, and by disposing of them properly we help the environment -- especially our lakes.

For detailed information about yard waste collection, read the article at the top of this page... and thank you for continuing to be a part of the solution!
