## Road Restrictions

- Weight restrictions for local roads are in effect from March 1<sup>st</sup> through May 1<sup>st</sup>.
- The City strongly enforces weight restrictions to prevent damage to streets.
- Residents are responsible for informing their service providers of the weight restrictions in their area. This is especially important when contracting with moving vans, delivery trucks or construction vehicles.
- Most damage to roads occurs during the spring months, as the frost leaves the ground. The only vehicles excluded from this requirement are school buses, garbage trucks and emergency vehicles.
- All roads leading to neighborhoods are posted with the allowable axle weight rating.

For questions regarding these restrictions, contact City Hall at 952-474-4755.

## Help is Around the Corner!

Senior Community Services is a nonprofit that helps older adults and caregivers navigate aging to maintain independence and quality of life. They work with trusted professionals and volunteers in your community who are ready to stop and listen to your unique needs, helping you take care of the place you call home.

Through the Household & Outside Maintenance for Elderly (HOME) program, they provide free Home Health and Safety Assessments. For more information, please call 952-541-1019 or visit their website [www.seniorcommunity.org](http://www.seniorcommunity.org).

## Organics Drop-Off Program

An Organics Drop-Off Container has been made available at Haralson Park (where the platform tennis court are located), which is located just across the LRT Trail from Deephaven City Hall, to allow Deephaven residents to drop-off their organics. The container will be locked to prevent illegal dumping and a combination padlock number will be provided to each resident to open the container.

If you think you would be interested in participating in this program, please send me an email at [danzu@cityofdeephaven.org](mailto:danzu@cityofdeephaven.org) with your name, address, phone number, and email address and I'll provide you with additional information on the Organics Drop-Off Program.
