

Gas Main Construction Notice – Deephaven

CenterPoint Energy will be upgrading natural gas mains in Deephaven in two phases:

Part 1:

- Along **Linwood Road** from Carson Road to Cottagewood Road
- Along **Cottagewood Road** from Linwood Road to Minnetonka Boulevard
- Along sections of **Minnetonka Boulevard**

No full road closures are planned; however, lane restrictions will occur at times. Resident access will be maintained throughout the project.

Part 2:

- Along **Northome Road** from 3594 Northome Road to 3790 Northome Road

Again, no permanent closures are expected. Due to the narrow roadway, traffic may be shifted to one side and flagged as needed to allow construction crews to work safely.

We appreciate your patience during this important infrastructure upgrade. Please drive carefully in the construction areas and be respectful of workers on site.

If you have any concerns please contact CenterPoint Energy.
