*Clarified 02/18/14- Includes any houses or trailers who ask to have their water shut off by the public works department, including trailers where meters are removed prior to the trailer being moved out, or for new trailers coming onto our services, they will be charged \$55 for disconnection and \$55 for re-connection. New homes built would not be charged the fee as it was felt that is part of the water connection fee charged. Seasonal(Snow Birds) will continue to pay the base fee of \$57.00** unless they have the public works department physically come and shut off the water valve at the curb stop and pay the \$55 disconnection fee.
