NOTICE IS HEREBY GIVEN that the City of Tombstone is soliciting sealed bids for the Apron Expansion with Drainage Improvements at the Tombstone Municipal Airport.

Late bids, bids with insufficient postage, and bids not signed in the appropriate place in the Bidder's Offer section, will not be considered under any circumstances. Bids must be submitted in a sealed envelope. The project title, solicitation number, bidder's name and address should be clearly indicated on the envelope. All bids must be completed in ink or typewritten. Cover page and Division I Bidder Requirements and Agreement Documents shall be returned with the executed Bid, along with all descriptive literature by the time and date indicated above.

DESCRIPTION OF THE WORK: The project is to be funded by grants from the Arizona Department of Transportation. The sponsor of the project is the City of Tombstone.

The Apron Expansion with Drainage Improvements project is intended to extend the current primary apron that is limited on aircraft parking capacity and implement drainage solutions to prevent flooding of the existing and proposed aircraft hangars.

The proposed asphalt apron extension will add 12,330 square feet of usable aircraft taxing and parking to the South of the existing asphalt apron. The additional space will allow for three additional aircraft tie-downs that are sized for the critical airport aircraft, a Cessna 172 Skyhawk.

Site drainage was a pre-existing issue, uncovered by rain events consistently flooding the existing aircraft hangar building. The airport underwent a Drainage Improvement Study in October of 2021 which identified the off-site flows and proposed a solution for diverting them away from the existing and proposed developments on the southwest side of the airport.

BID SECURITY: Every bid must be accompanied by a certified check, cashier's check or surety bond for ten percent (10%) of the amount of the bid.

BIDS TO REMAIN OPEN: The bidder shall guarantee the Total Bid Price for a period of ninety (90) calendar days from the date of Bid Opening to Notice of Award.

CONTRACTOR'S LICENSE CLASSIFICATION: In accordance with the provisions of Arizona Revised Statutes (ARS) 32-1101 through 32-1170.3, The City of Tombstone has determined that the Contractor shall possess, at a minimum, a valid Class A General Engineering License at the time that the Contract is bid. Failure to possess the

specific license shall render the bid as non-responsive and shall serve to bar award of the contract to any bidder not possessing said license at the bid opening.

ADDRESS AND MARKING OF BIDS: Bids must be submitted in a sealed envelope. The project title, project number, bidder's name and address should be clearly indicated on the envelope. All bids must be completed in ink or typewritten and the entire Specification Booklet shall be returned with the executed Bid, along with all descriptive literature by the time and date indicated above. The certified or cashier's check or Bid Bond shall be enclosed in the same envelope with the Bid.
