Tombstone Marshal's Office Receives \$19,335 in Highway Safety Grants from the Arizona Governor's Office of Highway Safety

The Tombstone Marshal's Office is proud to announce that it has been awarded **\$19,335** in highway safety grants from the **Arizona Governor's Office of Highway Safety (AZGOHS)**. This funding will support DUI enforcement, speed enforcement, officer training, and upgraded equipment to improve roadway safety during the holiday season, school-year events, and major community events. These funds will be used in the following areas:

Impaired Driving Enforcement – \$10,286

This grant supports:

- Overtime for DUI enforcement operations
- Equipment, materials, and blood-evidence kits
- Intoxilyzer repair and maintenance
- Advanced DUI training and related travel
- Active participation in the **Southeastern Arizona DUI Task Force**

This funding strengthens the Marshal's Office's continued efforts to reduce impaired driving and improve traffic safety for residents and visitors.

Speed Enforcement – \$9,049

This grant provides support for:

- Overtime for targeted speed-enforcement patrols
- New stationary and moving radar equipment
- Enforcement in school zones, bus routes, and high-risk corridors such as SR-80, Charleston Road, and Davis Road

These resources give deputies the tools needed to address speeding, aggressive driving, and roadway hazards throughout the year.

Community Impact

These grants strengthen the Tombstone Marshal's Office in several keyways:

- Increased patrol coverage during high-risk travel periods
- Improved officer capabilities through upgraded technology and training
- Enhanced coordination with regional enforcement partners
- Greater emphasis on preventing DUI- and speed-related crashes

The Tombstone Marshal's Office extends its appreciation to the **Arizona Governor's Office of Highway Safety** for supporting these important public-safety efforts.
