

Thank you to all who participated in the City's fall picnic. It was a well attended event with many neighbors meeting new neighbors.

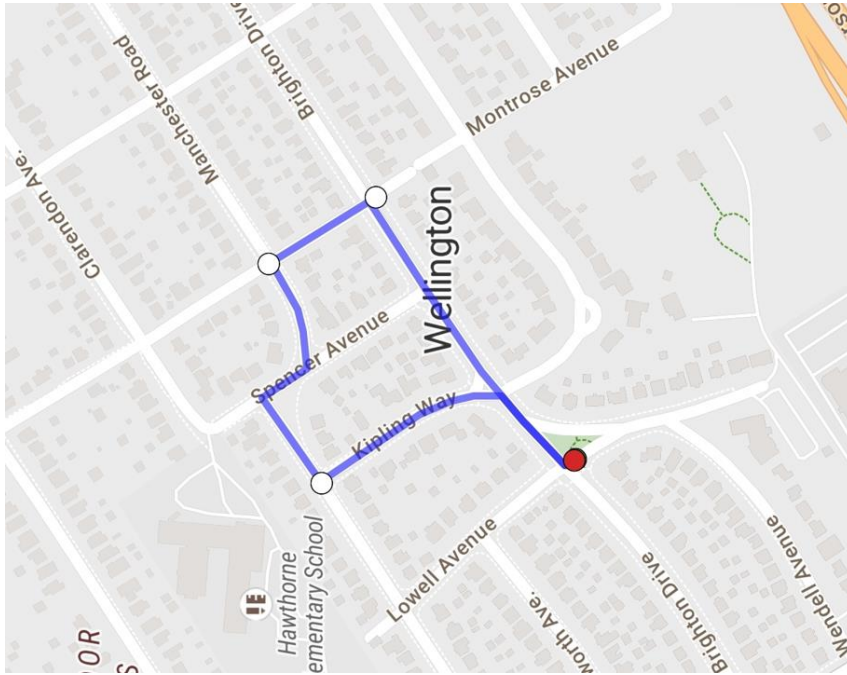

Parking Issues

Please remember there is no overnight parking allowed on the city's streets between the hours of 12:00am until 6:00am. Also be aware that there are several places that do not allow parking on the streets at any time, these areas are marked with signs. Typically it is one side of every street to allow for emergency vehicles if needed.

Halloween 2022

1) The City of Wellington's first Halloween parade will be on Sunday, Oct 30th. It starts at the 3:00pm and will begin and end at the big island. Children, grandchildren, cousins and parents are welcome. Participants will march in the street behind Police Chief Lamey. The parade route is below. If you live along the route, step outside to encourage our costumed neighbors. If you do not, bring your chairs and cheers to make this a fun event. Light snacks and drinks will be provided at the end of the parade route.

2) Wellington will be following Louisville suggestions and guidelines in celebrating Trick-or-Treat on Monday, October 31st. Residents are encouraged to participate as they best feel comfortable: social distancing, bags on tables at the end of the driveway or however you feel most comfortable. Stay safe and drive cautiously throughout the neighborhood.

2022 Tree Program

The City has budgeted for several years now to offer willing residents a canopy tree (free) to provide shade and increase the value of their property while adding value to the neighborhood. Please contact commissioner1@cityofwellingtonky.com for more information. Trees are limited and preference would be for it to be planted in the front yard. Side or back yards may be considered based on availability. Below are the trees being offered this year and requests should be made before November 1st to allow for planting before the winter season arrives.

Snow Removal

With winter approaching, as usual, Wellington has contracted to have snow

removal handled on our streets once the accumulation has reached a certain limit. Kindly remove snow from sidewalks promptly for safety of our neighbor walkers and dog walkers.

Safety Tips

Days are getting shorter quickly so several reminders for safety and to deter crime:

- Be aware of your surroundings at all times (people and vehicles);
- Always have a well charged cell phone;
- Always lock your vehicle, even if going into the house for "just a minute";
- Do not leave keys or car fob in the vehicle;
- Park in the garage if possible, or inside a backyard driveway with a locked gate; and
- Install security lights/cameras/doorbells.

Security Rebate

The City is once again offering a rebate program to residents for security light(s) and/or cameras to continue keeping our neighborhood safe. Reimbursement is up to \$100 for a camera and \$50 for a security light. If you wish to be a part of the City's rebate program, please submit a picture of the item installed at your house and receipt of purchase to commissioner3@cityofwellingtonky.com.

Daylight Savings Time Ending

Be sure to change your clocks to "fall back" at 2:00am on Sunday, November 6th.

Scavenger Hunts

There are scavenger hunt check lists in the Little Library to keep the little ones engaged as the days are getting shorter. Feel free to take one for each of your children and leave the rest for fellow scavengers. Different hunts will be

available at differing times (autumn hunts, indoor hunts for rainy times, spring, etc.) Enjoy.

History of Wellington

Our lovely city has been in existence since the 1940s. Many may not know that most of our physical properties were actually a part of the Farmington grounds. We have many residents who have lived here for many years and may be able to share stories or pictures or basic history of where we live. We would like to include these in future newsletters. Please send any information, stories, and/or historic pictures to commissioner1@cityofwellingtonky.com.

Letter from Farmington

Do you know your home was once part of Farmington, a successful 550-acre plantation growing hemp, Kentucky's primary cash crop in the 19th century? It was home to the John and Lucy Speed family, and at least 70 enslaved people. Today, Farmington maintains an 18-acre site right in your backyard! Although Covid presented the site with tremendous challenges we were able to keep the grounds open, so neighborhood families had space to exercise and enjoy the outdoors.

Farmington is back in full operation for the rest of 2022! We hope to see you in November at Fire in the Field and at our new Christmas event in December. We rely on volunteers to share the Farmington story, care for the gardens, and put on these community events. If you are interested in volunteering, please email kathy@historichomes.org or call 502-452-9920 during regular business hours.

Farmington is owned by Historic Homes Foundation and does not receive government funding, so your tax dollars do not support this valuable piece of Wellington. We hope you will join the Friends of Farmington and support the site! Friends brochures are available on the Visitors Center Porch.

The City of Wellington Facebook page was created for neighbors in Wellington to keep each other informed of community events, block watch news and general information. It does not serve as a public forum. It is a closed group available to current residents only. If you have a concern regarding a city ordinance, please contact a City commissioner. All requests to join must include the resident's physical street address for verification.

Trash Containers and Recycle Bins

Trash containers and recycle bins are to be placed at the curb no earlier than Monday, the day before Waste Management System's pick-up day. Residents are expected to remove and properly store trash containers from the curb no later than 11:59pm Tuesday evening.

Large Waste | Junk Pickup

Wellington does not have designated "junk pickup" days. They will pick it up on the same day as regular service, however, you must call Waste Management in advance to make them aware so they have resources. 502-966-0117

Yard Waste

Yard waste must be in yard containers or paper bags which are purchased specifically for yard waste. Limbs or branches should be tied in manageable bundles no longer than four (4) feet long and placed at the curb the night before your scheduled Waste Management System pick-up day. Unbundled items will not be picked up.

Homestead Exemption

Property owners who are 65 or older are eligible to receive the Homestead Exemption on their primary residence. If you are eligible, the exemption amount

is subtracted from your property's assessed value, reducing your property tax liability. Only one exemption is allowed per household. The Homestead Exemption applies to your Jefferson County and Wellington tax liability. For information, contact the Jefferson County PVA Homestead Department at 574-6380.

Keep Taxes in Wellington

Just a reminder for all new neighbors:

Every homeowner pays an Insurance Premium Tax (IPT) whenever purchasing or renewing any of the following insurance policies:

- Homeowners (property and casualty)
- Automobile
- Fire and allied perils
- Life
- Business Insurance
- Inland marine

The City of Wellington tax dollars from these policies pay for our sanitation and recycling services, fire protection, police protection, street paving, sidewalk repairs and much more. Because the City of Wellington is located within Jefferson County, often these funds are diverted to other tax jurisdictions in error.

Please check your insurance policy declarations page to confirm the Insurance Premium Tax they are paying is directed to "City of Wellington 40205" and not "Louisville Metro" or "Wellington KY 40387" as the recipient of the tax. Monies going to either of those jurisdictions do not benefit our City. The Insurance Premium Tax fee is a source of revenue for Wellington and assures the money you are paying will be used within the City, which makes it possible for our City ad valorem property taxes to remain low!

LG&E Reading Dates

Below are the upcoming meter reading dates so as not to be alarmed with

people walking between houses:
