

### **Food Truck**

We had a great turnout for our re-scheduled food truck event! Thanks to everyone who came out for some neighbor time and good food.

### **Halloween Parade**

Our annual Halloween Parade will be on Saturday, October 25th at 3:00pm. If your littles would like to participate, meet at the big island on the corner of Lowell and Brighton. A map of the route will be posted on our Facebook page. We look forward to seeing all of our neighborhood goblins!

### **Tree Ordinance Update**

Trees Louisville will be running the tree program this year. Their service will include mapping of suitable locations in the homeowner's yard, providing tree suggestions based on their native tree selection and homeowner preferences, as well as planting. While the official ordinance allowing the planting of trees in the right of way is not officially approved, the city commission is working to amend the ordinance. An official notice will be posted once this occurs. We hope to begin planting in December and the 30 allotted trees for this year will be on a first come first serve basis. You should have received an email, REACH alert, or seen the Facebook post stating the deadline for requesting a tree this year is October 24th. The link can be accessed anytime via <http://www.cityofwellingtonky.com/>; in the "Government" section, select "News and Notices". Reach out to Taylor Swilley at [commissioner1@cityofwellingtonky.com](mailto:commissioner1@cityofwellingtonky.com) with any questions regarding this process.

### **Santa Mailbox and Visit**

The Santa mailbox and Santa visit will be back at the big island on the corner of Lowell and Brighton! The mailbox will arrive early December for any little ones wishing to mail their Christmas list to the North Pole! Santa will visit the families of Wellington on Sunday, December 14th at 3:00 pm. Come get a picture and give Santa your final wish list for the year!

Please remember there is no overnight parking allowed on the city's streets between the hours of 12:00am until 6:00am. Also be aware that there are several places that do not allow parking on the streets at any time, these areas are marked with signs. Typically, it is one side of every street to allow for emergency vehicles if needed. With increased foot activity, and as always, do not block the sidewalk with your vehicle.

### **How to Secure Dumpster/POD permit**

Our residents are always busy doing projects and improvements on their homes and properties. If you need to utilize a temporary storage facility, such as a POD, or if you are securing a dumpster, our city ordinances require a permit to be displayed at your home. The dumpster or storage facility may not be placed in the right of way and permits are limited to 30 calendar days. Applications for permits are available on the city's website.
