

ATTENTION: FURNAS FORGE RESIDENTS

Street resurfacing will begin around November 13, 2025. “No Parking” signs will be posted approximately 24 hours in advance. Please make sure all vehicles are parked off the streets. The project should be completed within one week, weather permitting. The usual prohibition of parking in the yard, will be temporarily waived. Any vehicle left on the streets will be towed at the owner’s expense.

Thank you for your cooperation.
