Road Restrictions

- ◆ Weight restrictions for local roads are in effect from **March 1st through May 1st**.
- ◆ The City strongly enforces weight restrictions to prevent damage to streets.
- ◆ Residents are responsible for informing their service providers of the weight restrictions in their area. This is especially important when contracting with moving vans, delivery trucks or construction vehicles.
- ◆ Most damage to roads occurs during the spring months, as the frost leaves the ground. The only vehicles excluded from this requirement are school buses, garbage trucks and emergency vehicles.
- ◆ All roads leading to neighborhoods are posted with the allowable axle weight rating.

For questions regarding these restrictions, contact City Hall at 952-474-4755.

Hydrant Flushing Schedule

The City of Deephaven will be flushing fire hydrants in the Pines and along Minnetonka Blvd and Ridgewood Road the week of May 16th in order to help clear the water lines. During the flushing period, it's normal to experience some discolored water. The water is safe to drink and can be cleared up by simply running the cold water from your faucet. If you are experiencing problems, please contact City Hall at 952-474-4775.

The annual Board of Appeals and Equalization of the City of Deephaven will meet at 6:00 p.m. on Monday, April 18, 2016 at Deephaven City Hall, 20225 Cottagewood Road, Deephaven, MN 55331.

The purpose of this meeting is to determine whether taxable property in Deephaven has been properly valued and classified by the assessor, and to determine whether corrections need to be made.

If you believe the value or classification of your property is incorrect, please contact Deephaven City Assessor Dan Distel at 612-237-8094 to discuss your concerns. If you are still not satisfied with the valuation or classification after discussing it with the assessor, please feel free to appear before the local board of appeal and equalization.

The board shall review the valuation, classification, or both if necessary, and determine whether a correction is warranted. Generally, an appearance before your local board of appeal and equalization is required by law before an appeal can be taken to the Hennepin County Board of Appeal and Equalization.

Pet Owners: Time to Clean Up

Each year before the spring thaw, pet owners are encouraged to begin cleaning their yards of pet waste that has accumulated over the winter. The waste should be picked up continually during the spring thaw, as well as summer and fall months, to prevent bacteria contaminated water from running into city lakes, ponds and wetlands.

Dog waste is NOT fertilizer and it is NOT good for lawns. Most dog owners are unable to keep up on removing pet waste during the winter months, and waste accumulates, covered by each new snowfall. During the spring thaw, the bacteria and parasites from the waste that remain dormant during the winter months are unleashed into the newly formed streams running from your yard and eventually into the storm drains and ditches, ending up in our groundwater and lakes.

Although never a favorite chore, cleaning up the waste is the responsibility of each pet owner. There are services available for hire if it is a chore you would rather not do. Regardless of who does the clean up, it should be completed before the first blades of grass begin to grow.

Dogs permitted to use the PATHWAY through Deephaven Beach

The City permits individuals to walk their dogs along the pathway through Deephaven Beach. For the sake of those other residents and families using the beach, please keep your dog on the PATHWAY and please clean up after your dog. Thank you!

Curb your canine!

MUTT MITTS are available in our parks and trails for your use to clean up after your dog! Keep a few extras tied to your leash so you're prepared for the inevitable.

Please be a responsible pet owner and help keep our parks clean for others to enjoy!

Also, City Ordinances require your dog to be leashed or at your heel under your command at all times when off of your property.

Cats on the prowl!

Although cats are not required to be leashed or licensed in Deephaven, please be a good neighborhood and keep an eye on your cat and their adventurous activities.

Your neighbor may not be very appreciative of your cat rummaging around their garden or leaving their "special" droppings on their lawn.

The South Lake – Excelsior Chamber of Commerce Fourth of July 2016

City Receives Financial Reporting Award The City of Deephaven has been awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada (GFOA) for the Fiscal Year ending December 31, 2014. This is the 20th consecutive year that the City of Deephaven has received this award. The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. There are 32,070 municipalities nationwide with populations under 10,000 and less than 1% qualifies to receive this award. Congratulations to the City of Deephaven's Finance Department!

It's a sure sign of spring, the front window sign flips around and the store is open for business seven days a week, from May through October.

After weeks of planning and preparation by the Store's staff and volunteers there is always speculation as to who will be the first customer through the doors when we open at 8:00 AM. In the past middle school-aged boys have lined up early in the morning to have that honor. Each year the first customer is always different but their delight that the Cottagewood Store is once again open is always the same.

It's been more than 100 years since Ralph & Stella Chapman stocked the shelves in anticipation of their first customer. There is no record of who that customer was but we are pretty sure that they were equally delighted to have a general store in their neighborhood where they could chat with friends and neighbors while enjoying a bottle of Hires root beer for 10 cents.

Opening Day of the 2016 season is Saturday, April 30.

For more information about the Cottagewood General Store and the Cottagewood Community Foundation, please visit www.cottagewoodusa.com.

2016 Boating Season

With the kickoff of the Boating Season on April 1st, we would like to remind permit holders that there are two primary requirements when leasing a boat mooring space from the City:

All watercraft must be at their assigned space by midnight on May 31, 2016.

Your mooring space must be used a minimum of 90 days during the season, which is defined as:

Docks, Buoys and Shorespace: April 1 – November 1
Slides and Canoe Racks: April 1 – November 15

We wish you a safe and enjoyable boating season!

Mooring buoys still available

The City currently has 22 mooring buoys available for leasing for the 2016 season. If you are interested in owning a sailboat and would love the opportunity to moor your boat at the St. Louis Bay Marina or Carson's Bay marina, this is a perfect opportunity to lease one of the available buoys. The rental fee for mooring buoys is \$450 per season.

For those residents who already have a 2016 watercraft permit with the City and would also be interested in obtaining a second permit for one of the currently available mooring buoys, please call City Hall at 952-474-4755.

Licenses Required for Certain Contractors

The City of Deephaven requires plumbers, gas fitters, tree trimmers and building contractors to be currently licensed by the City of Deephaven before they are able to work in the City.

The City requires these contractors to be licensed for several reasons.

First, the licensing process ensures that gas fitters and building contractors are currently licensed through the State of Minnesota, which provides some assurance that these contractors are qualified professionals and are more likely to provide higher quality work.

And second, licensing requires contractors to provide certificates of insurance demonstrating that they have proper insurance coverage in the event of an accident or some other unforeseen occurrence.

Prior to hiring a contractor to perform work in your house or property, please contact City Hall or go to the City's website at

www.cityofdeephaven.org to ensure that the contractor you have selected is properly licensed to perform work in the City of Deephaven.

Bill Pay Service Suggestions

If you use a bill pay service to pay your Deephaven utility bills, it would be extremely helpful and could potentially save you a late fee on your utility bills to have your bill pay service:

1. Schedule your utility payment to be sent no later than 10 days before the due date. City Hall does not accept electronic payments; therefore your service company still prints and mails a physical check to our office. Please take into account weekends and holidays when considering mail time.
2. Include the correct account number and property address on the payment.

Thank you!

Building Permits

It's Spring Time! That magical time of year to start all those maintenance projects you need done on your home. Please remember that a building permit may be necessary for your repairs, remodeling, or additions. Common projects requiring a building permit include re-roofing, re-siding, decks, additions, furnaces, air conditioners, plumbing and electrical work. Please contact City Hall if you have any questions about permit requirements. Permit applications are available at www.cityofdeephaven.org.

Street Repairs for 2016

Now that the long Minnesota winter is over, it must be time for the street construction season! The City intends to overlay Vine Hill Road and two minor street sections this year at an estimated cost of \$405,950.

A very common question is how does the City decide to improve one street over another?

Seal Coating - The City attempts to seal coat each street 5-7 years after it has received an overlay to extend the life of each street as long as possible.

Street Overlay – A street is overlaid with 2" – 3" of new asphalt if there is too much surface cracking to warrant a seal coat. Each street in the City is graded in the fall according to its condition and the worst streets are scheduled the following year for an overlay. Unfortunately, we cannot overlay each and every one of the worst streets due to limitations in our annual Capital Improvement Budget and the fact that we do not have a policy of charging special assessments to our residents for street improvements.

Parking Permits

Parking permit stickers will be sent to all residential homes

in Deephaven

beginning the third week of April.

**PERMIT
REQUIRED**

These are exterior window stickers and they must be placed on the driver's side of the vehicle on the lower corner of the rear window. For your convenience, we will again be mailing out two parking permits to each residential home this year. Hopefully, this will allow you to use both parking permits on your vehicles without having to come to City Hall for an additional permit. The sticker allows you to park from May 1 – October 1 in parking permit-only areas, including all City beaches.

Please be aware that you will be subject to a parking ticket if you park your vehicle in permit-only areas without a current sticker. If you currently rent your home, please contact City Hall on how to obtain a permit.

We have a new addition to our Police Department as of April. We had many qualified candidates from which to chose, and I feel Cory made an excellent decision. Please join me in welcoming Ethan Read, our newest Police Officer, and wishing him well.

If you can, try to put May 15 on your events calendar and join our Boy Scouts and Cub Scouts in Thorpe Park for the Arbor Day festivities this year. They do a very fine job on this event, including their much-appreciated cleanup of the entire Park before the celebration begins.
