In consideration of being permitted to make such opening and/or perform indicated work within the road right of way, applicant and his contractors agree to faithfully comply with the terms of this permit, including the Special Provision; applicant agrees to comply with all applicable statutes, ordinances, rules and regulations of the State of Wisconsin and the Town of Dekorra; applicant agrees to indemnify, defend and hold harmless the Town of Dekorra from any and all claims, liability, damages, costs, and injuries that may be incurred by applicant or their agents acting upon the permit hereby; applicant agrees to all times keep the place where such road opening is made properly guarded by day and lighted by night; applicant agrees to leave the road, sidewalk, alley, terrace, shoulder or right of way in as good or better condition that existed when the work was commenced; applicant agrees to have all finished concrete and asphalt work within the right of way performed by a licensed concrete layer or licensed asphalt paver, as the case may be; applicant agrees that all restoration of the road, sidewalk, alley, terrace or shoulder affected by applicants acting upon this permit will be completed within twenty (20) calendar days of the closing; applicant agrees to provide the Town Engineer seventy-two (72) hours notice prior to commencement of the work and 24 hours prior to placing any paving; applicant agrees this permit may be voided by the Town Engineer if the work is not started within a reasonable length of time after the above stated starting date; and, applicant agrees to comply with Section 5.04 Road Openings and Other Work in Right of Way, Section 8.08 Vehicles Damaging Town Roads, Section 8.09 Measures to Protect Town Roads (**REQUIRES PROTECTIVE MEASURES WHEN LOADING, UNLOADING OR DRIVING HEAVY EQUIPMENT ON TOWN ROADS**) and any other applicable requirements of the Town of Dekorra Municipal Code or State Statutes.

**SPECIAL PROVISIONS**

1. All open trenches shall be filled with compacted granular material, compacted to 90% minimum of modified proctor density.
2. Pavement patches to be replaced in kind, minimum 10" x 3/4" crushed stone base; 2" bituminous hot mix base course; 2" bituminous hot mix surface course, (cold mix in winter, temporary to be replaced with hot mix in spring).
3. Sidewalks to be 5" concrete over 6" granular base.
4. Driveways to be 6" concrete over 6" granular base.
5. Urban section Terraces or residential yard areas to be sodded; rural section grassed areas to be seeded and erosion matted.
6. All open trenches, if not gravel filled or paved, shall be steel plated at the end of each day's work.
7. All replacement items shall conform to the Town of Dekorra Code of Ordinances.
8. The contractor shall be responsible for providing traffic control in accordance with the Town of Dekorra and Columbia County Codes of Ordinances.
9. No road closing will be permitted without permission of the Town Engineer.
10. Town Engineer shall inspect any excavations and base prior to repaving.

**Qualifications of Contractor-**

The Town may make such investigations as it deems necessary to determine the financial and other ability of the contractor to perform the work, and the contractor shall furnish to the Town all such information and data for this purpose as the Town may request. The Town reserves the right to disqualify any contractor if the evidence submitted by, or investigation of, such contractor fails to satisfy the Town that such contractor is properly qualified to carry out the obligations of the contract and to complete the work contemplated therein. A performance bond or other security may be required to insure the contractor's ability to satisfactorily complete the restoration work. In the determination of the contractor qualifications, the Town reserves the right to take into account and give the responsible weight to: the extent of the contractor's experience with work of similar nature; the probability of the contract being carried to successful completion within the time specified and by the methods and with the equipment the contractor proposes to use; and, the contractor's performance on construction projects of a similar nature within the past three (3) years.

**SECTION 8.09**      **MEASURES TO PROTECT TOWN ROADS.****(a) Definitions.**

- (1) **Heavy Equipment.** All vehicles not operating completely on pneumatic tires and all vehicles or combination of vehicles, other than motor buses, not licensed for operation on public highways, and having a gross weight of more than 6,000 pounds.

**(b) Protection of Roadway.**

No person shall load, unload, drive or permit the loading, unloading or driving of heavy equipment onto the roadway of a Town highway, as defined in Wis. Stats. § 340.01(54), without placing material upon the roadway designed to protect the roadway from any damage caused by but not limited to heavy equipment, trailer tongues or ramp edges. Such protective measures for the Town roadway include, but are not limited to, mats, sand, tires or plywood sheets or a combination thereof as required to meet the particular circumstance. [Amended by Ord. No. 2009-08, 6/23/09.]

**(c) Forfeiture and Penalty.**

Any person who fails to protect the Town roadway from heavy equipment by loading, unloading or driving on, as set forth in (b) above, shall be subject to forfeiture pursuant to Section 1.03 of this Code and shall be liable for the cost of repairs of damage caused. Town will have damage repaired and will bill the individual causing damage, to be paid within 30 days of billing or incur interest penalty of 1% per month.

**(d) Exception.**

This section shall not apply to the unloading of heavy equipment onto a Town roadway when the purpose for unloading said heavy equipment is to repair or replace the section of the roadway onto which the heavy equipment is unloaded and such unloading or movement will not increase the cost of repair or replacement.

History Note: The above and foregoing Ordinance was duly adopted at a regular meeting of the Town Board of the Town of Dekorra on the 8th day of May, 2001 Ordinance 2001-05-08(b); repealed and recreated by the Town Board of Dekorra on the 9th day of September, 2003; repealed and recreated by Ord. 2007-13; amended June 23, 2009, Ord. No. 2009-08.
