| <i>Required Banking Documentation</i> | None | Authorization to Access Account form |

Traditional Escrow

This option is available to all large deductible and self-insured clients. With this option, the client will provide PMA with an escrow of three months of estimated paid losses and loss adjustment expenses. PMA will pay for the claims throughout the month with this account. At the end of the month, PMA will bill the client for losses and loss adjustment expenses paid along with the appropriate claims handling fees (if applicable). The client will also receive detailed loss reports showing all claims activity for the month and a cumulative claims summary report by policy/contract.

Direct Funding – ACH Debit

This option is available to all large deductible and self-insured clients. With this option, the client will receive a daily, weekly, or monthly electronic communication from Wells Fargo Bank with the total claim checks issued that day, week, or month. On the next business day, Wells Fargo will initiate an ACH transfer to deduct the previous days' (weeks'/months') claims from the client's bank account. Payment is deposited directly into a sub-account, which is unique to the client. At month-end, the client will receive an AMPS billing statement for the loss-handling fees. The client will also receive detailed claims reports showing all activity for the month and a cumulative claims summary report by policy/contract. Reimbursement by check or client-initiated wire transfer/ACH transfer is required for payment of all fees.

ACH Debit customers must fill out and sign the Authorization to Access Account form in duplicate and forward to the Credit/AMPS Department.

Direct Deposit

PMA offers eligible injured workers direct deposit of indemnity payments into their bank accounts.
