

Ordinance offered by Mayor Panzenbeck and seconded by \_\_\_\_\_

**BE IT ORDAINED**, that the City Council hereby amends Chapter 168. Housing Standards Section 168-87, Inspection and registration of real property under foreclosure (A), (C), (E), (H), (J), and (K) of the Code of Ordinances as indicated:

- A. Any mortgagee who holds a mortgage on real property located within the City shall perform an inspection of the property upon default by the mortgagor as evidenced by the filing of a notice of pendency in a foreclosure action.
- B. Property inspected pursuant to Subsection A above that remains in foreclosure shall be inspected every 30 days by the mortgagee or mortgagee's designee. If an inspection shows a change in the property's occupancy status, the mortgagee shall, within 10 days of that inspection, update the occupancy status of the property registration.
- C. Within 10 days of the date any mortgagee files a notice of pendency in a foreclosure action, the mortgagee shall register the real property with the City registry, and, at the time of registration, indicate whether the property is vacant, and if so shall designate, in writing, a property manager to inspect, maintain and secure the real property subject to the mortgage in foreclosure when legally possible. A separate registration is required for each registrable property.
- D. Initial registration pursuant to this section shall contain, at a minimum, the name of the mortgagee, the mailing address of the mortgagee, email address, telephone number and name of the property manager and said person's address, email address, and telephone number, regardless of whether it is occupied or vacant.
- E. At the time of initial registration, each registrant shall pay a nonrefundable annual registration fee of \$75.00 for each registrable property. Subsequent nonrefundable annual registrations of properties and fees in the amount of \$75.00 are due within 10 days of the expiration of the previous registration. Said fees shall be used to offset the costs of registration and registration enforcement; code enforcement, Building Department oversight and mitigation related to defaulted properties; and for any purpose relating to the purpose and intent of this article. None of the funds provided for in this section shall be utilized for the legal defense of foreclosure actions.

- F. If the mortgage and/or servicing on a property is sold or transferred, the new mortgagee is subject to all the terms of this article. Within 10 days of the transfer, the new mortgagee shall register the property or update the existing registration. The previous mortgagee(s) will not be released from the responsibility of paying all previous unpaid fees, fines, and penalties accrued during that mortgagee's involvement with the registrable property.
- G. If the mortgagee sells or transfers the registrable property in a non-arm's-length transaction to a related entity or person, the transferee is subject to all the terms of this article. Within 10 days of the transfer, the transferee shall register the property or update the existing registration. Any and all previous unpaid fees, fines, and penalties, regardless of who the mortgagee was at the time registration was required, including but not limited to unregistered periods during the foreclosure process, are the responsibility of the transferee and are due and payable with the updated registration. The previous mortgagee will not be released from the responsibility of paying all previous unpaid fees, fines, and penalties accrued during that mortgagee's involvement with the registrable property.
- H. If the foreclosing or foreclosed property is not registered, or the registration fee is not paid within 30 days of when the registration or renewal is required pursuant to this section, a late fee equivalent to 10% of the annual registration fee shall be charged for every thirty-day period, or portion thereof, the property is not registered and shall be due and payable with the registration.
- I. This section shall also apply to properties that have been the subject of a foreclosure sale where title is transferred to the mortgagee as well as any properties transferred to the mortgagee under a deed in lieu of foreclosure or by any other legal means.
- J. Properties subject to this section shall remain subject to the annual registration requirement and the inspection, security, and maintenance standards of this section as long as the property remains registrable.
- K. Failure of the mortgagee to properly register or to modify the registration to reflect a change of circumstances as required by this article is a violation of this article and shall be subject to a fine of not more than \$2,500 and/or enforcement by any of the enforcement means available to the City.
- L. If any property is in violation of this article, the City may take the necessary action to ensure compliance and/or place a lien on the property for the cost of the

outstanding obligation and any additional cost incurred to bring the property into compliance.

- M. Registration of foreclosure property does not alleviate the mortgagee and/or owner from obtaining all required licenses, permits and inspections required by applicable code or state statutes. Acquisition of required licenses, permits and inspections or registration of rental property does not alleviate the requirement for the property to be registered under this section. The mortgagee and/or owner is expected to update the status of the property in the event of a mortgagee-managed rental.
