SUBJECT OF EXAMINATION: There will be a written test that you must pass in order to be considered for appointment. The written test will be for knowledge, skills and/or abilities in such areas as:

Fundamentals of working in a library: These questions are designed to evaluate the candidate's knowledge about the common terms and concepts used in various sections of a library (e.g. Circulation, Reference, Technical Processing, etc.); the procedures associated with shelving, storing, checking out and receiving library materials; and the proper methods of using equipment commonly found in a library and of handling, processing and storing library materials.

Name and number checking: These questions test for the ability to distinguish between sets of words, letters, and/or numbers that are almost exactly alike. Material is usually presented in two or three columns, and you will have to determine how the entry in the first column compares with the entry in the second column and possibly the third. You will be instructed to mark your answers according to a designated code provided in the directions.

Customer service: These questions test for knowledge of techniques used to interact with other people, to gather and present information, and to provide assistance, advice and effective customer service in a courteous and professional manner. Questions will cover such topics as understanding and responding to people with diverse needs, perspectives, personalities, and levels of familiarity with agency operations, as well as acting in a way that both serves the public and reflects well on your agency.

Supervision: These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.

The use of calculators is recommended, and a calculator will be provided.

MULTIPLE EXAMINATIONS SCHEDULED FOR THE SAME DAY: If you have applied for any other civil service examinations to be given on the same test date for employment with New York State or any other local government jurisdiction excluding New York City, you must make arrangements to take all the examinations at one test site.

If you have applied for both State and local government examinations, you must notify Glen Cove Civil Service of your intent to take both a State and a local government examination. When taking both a State and a local government examination you will be required to take all your examinations at a State examination center. You will be advised by letter when and where to report for your examinations. You must bring both the State and the local government admission card to the State test center.

If you have applied for another local government examination with another local civil service agency, call or write to each civil service agency to make arrangements. You must make your request for these arrangements no later than two weeks before the date of the examinations. You must notify all local government civil service agencies with whom you have filed an application of the test site at which you wish to take your examination.

RELIGIOUS ACCOMMODATION/DISABLED CANDIDATES/MILITARY MEMBERS: Applicants whose religious observances, religious practices or military service prevent their taking examinations on the scheduled date and disabled candidates who require special accommodations to take the test should indicate the need for special arrangements by checking the "Special Arrangement" box on the front of the applications. The New York State Department of Civil Service Commission will approve any reasonable request for accommodations by disabled candidates. Candidates who are called to military service after filing an application should send a request for an alternate test date to the City of Glen Cove Municipal Civil Service Commission as soon as possible before the test date.

MILITARY SERVICE MEMBERS: If you apply for an examination during the filing period but are on active military duty on the date the examination is scheduled, you may request a military makeup examination. You must contact The City of Glen Cove Municipal Civil Service Commission for more information. If you are on active duty or

discharged after the filing period has begun, you may apply for the examination up to ten days before the date of the test.

This examination will be prepared and rated in accordance with Section 23(2) of the Civil Service Law. The provisions of New York State Civil Service Law and the City of Glen Cove Civil Service Rules and Regulations dealing with the preparation and rating of examinations will apply to this examination.

1 year to 6 years	1 points
Over 6 years to 11 years	2 points
Over 11 years to 16 years	3 points
Over 16 years up to 21 years	4 points

When an examination is open to incumbents of non-competitive class positions, seniority would be based on time spent in a title or titles eligible to take the examination in accordance with the above schedule.

VETERAN'S CREDIT: Veterans or disabled veterans who are eligible for additional credit must submit an application for Veteran's credit with their application for examination or at any time between the date of the application for examination and the date of the establishment of the resulting eligible list. Applications for Veteran's credits are available from this office.
