CITY OF GLEN COVE NEWSLETTER

MORGAN MEMORIAL PARK

A Message from the Desk of Mayor Pamela D. Panzenbeck

I want to thank the Glen Cove community for re-electing me and for your continued confidence in my leadership. It remains the greatest honor to serve the City I love and have called home my entire life.

As your Mayor, I hope you see me as both a friend and neighbor. With your support, we've made meaningful improvements to our parks and recreational facilities, and I'm grateful for the positive response. But we're not done. I will continue to be fiscally responsible, carefully managing your tax dollars while seeking new revenue sources to ease the burden on residents.

In this next term, my focus is on keeping Glen Cove a place people are proud to call home. We'll continue improving parks, upgrading infrastructure, completing the Golf Course sprinkler system, and advancing vital water system updates. Road paving, services for all ages, and expanding special events will remain key priorities.

I want to thank the dedicated employees of Glen Cove—our department heads, DPW and Water Department teams, Police, Fire, EMS, Auxiliary Police, and Harbor Patrol. Their commitment keeps our city running and safe.

Glen Cove is in my heart. My family's roots here date back to the 1800s, and like my Uncle John once said, "There was no other place like it to live." I couldn't agree more.

Thank you for allowing me to continue serving as your Mayor.

Pamela D. Panzenbeck

A New Chapter in Leadership

On **January 1, 2026**, **Mayor Pamela Panzenbeck** and the **Glen Cove City Council** were sworn in.

Photo, left to right: **John Zozzaro, John Perrone, Grady Farnan, Mayor Panzenbeck, Danielle Fugazy-Scagliola, Michael Ktistakis, and Kevin Maccarone.**

At the first City Council meeting of the year, **Associate City Court Judge Ellen Savino** was also sworn in, marking a historic milestone as the City of Glen Cove's first female judge.

The Glen Cove Police Department has entered a new chapter of leadership. After **29 years** with the department, **Chief William Whitton retired**, and we thank him for his dedicated service to the City of Glen Cove.

Chief Christopher Ortiz was sworn in on **November 18**, beginning a new era for the department. A **Glen Cove resident** and the department's **first Hispanic Chief and one to hold a Ph.D.**, he brings a deep understanding of the community and a forward-looking focus on public safety and partnership. He is joined by **Deputy Chief Pietro "Peter" DiMaggio**, promoted on **December 9**.

BELOW, CHIEF ORTIZ SHARES HIS MESSAGE WITH THE GLEN COVE COMMUNITY.

The new year brings exciting new opportunities for the Glen Cove Police Department. Recently, I was honored to be named Chief of Police, only the tenth person to serve in this position in the more than 100-year history of the Department. My promotion opens additional opportunities throughout the ranks. In a short time, a Deputy Chief, Lieutenant, and Sergeant will all be promoted. I will also be adding a few more civilian positions. All of these changes are aimed squarely at better serving this community. In short, there will be a lot of movement here. What will not change is our unwavering commitment to Glen Cove. The officers of the GCPD go above and beyond every day. That is the standard that we set for ourselves and we achieve it. I am proud to say that we are consistently ranked among the safest communities in NY. As we move into 2026, remember that the Police Department is here to assist and help you in every way possible. We literally make it our business to ensure that you and your family have the safest possible community to live, work and play in. I wish everyone the best in the New Year and I look forward to continuing my service to this community as your Chief of Police. ~ Chief Ortiz

Cove, NY

Curcio Bakery & Café

A Sweet Welcome. Family-owned Curcio Bakery & Café officially opened, bringing handcrafted baked goods, coffee, and old-world charm to Glen Cove.

📍 76 School Street, Glen Cove,
NY

Major Projects Shaping Glen Cove's Future

Glen Cove Golf Course – Sprinkler System Replacement

The full replacement and modernization of the golf course's irrigation system remains on schedule for completion in spring 2026. This new system will greatly improve playability, increase water efficiency, and enhance overall course conditions for residents and visitors.

Major Water Infrastructure Upgrades

In 2026, the City anticipates the complete replacement of the Nancy Court water well, along with the installation of a new air stripper (packed aeration tower) at the Duck Pond Road well site. These upgrades will strengthen the City's water treatment capabilities and support long-term water quality for residents.

Ferry Service Interest and Next Steps

A ferry operator has formally expressed interest in launching service in Glen Cove. Discussions are in progress, and the City expects to have a clearer understanding of feasibility and next steps during 2026.

Crescent Beach potential Summer 2026 Opening

Crescent Beach is showing encouraging progress after many years of closure. Measures addressing bacteria from the nearby stream are yielding positive results, and the City has been advised it may begin the 2026 beach-season application process, with required advisories. This is not yet formal approval to reopen, but we are hopeful.

New Noise Ordinance Hours

New noise ordinance hours. Friendly reminder: power equipment (mowers, blowers, saws, etc.) is now limited to 8 AM-7 PM weekdays & 9 AM-4 PM weekends. No commercial work on Sundays or holidays. Let's keep Glen Cove peaceful.

Recycling & Sanitation

Recycling and sanitation schedules, including yard waste guidelines, are available through the Department of Public Works. The garbage and recycling schedule, including holiday changes, can be downloaded on the City website at **glencoveny.gov/public-works**.

For questions, contact DPW at (516) 676-4402.

Snow & Ice Removal

Residents and commercial property owners are required to clear snow and ice from sidewalks within 12 hours of a snowfall. Slippery areas must be treated with concrete-safe ice melt or sand. Please clear a path at corner properties, keep access clear around trash cans, and do not push or place snow into city streets.

Snow Emergencies & Parking

When a Snow Emergency is declared:

- Park in driveways whenever possible
- If no driveway is available, park on the odd-numbered side of the street
- Overnight parking will be allowed in both municipal parking garages.
- No parking on Glen Street, School Street, or Bridge Street

Vehicles parked in violation of Snow Emergency rules may be ticketed or towed.
