Summer Internships *(Interview with worksites)*	16+	Summer (June-September)	Determined with worksite 150 hours	Working card, SSC, Photo ID 70 Average 15 hours of SYEP workshops 10 hours of Community Service Completed Resume by May 1 Interview with minimum of 3 worksites
Green Teams *(Interview with Green Team Supervisors)*	14-15	May-June July-August (5 weeks)	Apply, interview, pre-placement workshops Workdays: Tues-Fri 830-3p	Working card, SSC, Photo ID 70 Average *** NO workshops needed; can be in 8th grade; only 12 spots available*

The Community Garden teaches hard work, planning and mapping, and cultivation; the Concession Stands instill strong customer service skills, organization and marketing; Green Teams allow a first-time work experience, building teamwork and an understanding of basic work skills; Summer Internships are a great way for a teen to experience life as a full-time employee.

All SYEP programs focus on leadership, responsibility and respect.
