EAST END TRIP

Tanger
Outlets

September 9
9:00am - 6:00pm

Join us for a fun-filled East End adventure!

Our day begins at the Tanger Outlets, where you'll enjoy great deals at over 100 brand-name stores. From fashion and accessories to home goods and specialty shops, Tanger offers a wide variety of options — all at outlet pricing — making it the perfect place to treat yourself or get a head start on gift shopping.

Next, we'll head to the beautiful Raphael Winery for a full buffet lunch and wine tasting. Known for its stunning architecture inspired by Old World European design, Raphael Winery offers award-winning wines crafted with traditional methods. You'll enjoy a delicious lunch paired with a guided tasting of their signature selections, all while taking in the serene vineyard views.

We'll end the day with a stop at a local East End farm stand, where you can browse fresh, seasonal produce picked at peak ripeness. Unlike standard grocery store offerings, farm-stand fruits and vegetables are often harvested the same day — meaning richer flavor, better texture, and a true taste of Long Island's agricultural heritage. You'll also find homemade jams, baked goods, flowers, and other local specialties.
