

**RESOLUTION**  
**Town of Grand Rapids**  
**Wood County, Wisconsin**

**Resolution #2026-04**

**WHEREAS**, Wisconsin is increasingly relying on General Purpose Revenues to make needed investments, potentially pitting transportation against other vital services, such as education; and

**WHEREAS**, continued lack of growing, dedicated, and predictable revenue places Wisconsin at a growing economic disadvantage by threatening the efficiency of freight movement, the safety of travelers, and the attractiveness of our state to businesses and residents; and

**WHEREAS**, both Wisconsin's aging Interstate highway system—largely constructed in the 1950s and 1960s—and our extensive network of state and local roads require predictable, adequate, and sustainable funding to meet current and future needs;

**NOW, THEREFORE, BE IT RESOLVED** that the Grand Rapids Town Board strongly urges the Governor of Wisconsin and the State Legislature to enact a comprehensive, sustainable transportation funding solution that:

1. Provides adequate and reliable revenue growth for the efficient long-term planning and execution of state and local transportation programs;
2. Includes responsible and prudent use of General Purpose Revenue and bonding;
3. Adjusts any new and existing transportation user fees and other revenue mechanisms to sustain purchasing power in order to maintain and improve Wisconsin's transportation infrastructure; and
4. Ensures transportation continues to deliver for Wisconsin by adequately funding reconstruction, preservation, and safety investments on the state and local systems.

**BE IT FURTHER RESOLVED** that the clerk is hereby directed to transmit a copy of this resolution to the Governor's office, all members of the Wisconsin State Senate and Assembly representing districts within the Town of Grand Rapids, and the Wisconsin Towns Association.
