We Can't Help You If We Can't Find You

The Grand Rapids Volunteer Fire Department is working to improve the efficiency of emergency response in your area. In the case of an emergency, a rapid response can be critical to ensure the safety of life and property. Too often time is lost locating a residence in need of help. Due to the difficulty of reading address signs because of darkness or inconsistent placement of these signs, your fire department is offering reflective signs to be placed as visibly as possible near the entrance of your property. The difference in saving lives and property may be the proper identification of your address.

If interested in purchasing an address sign, please fill out the order form below with payment included and mail in the supplied envelope. An example of a completed neighborhood can be found north of Griffith Ave. off of 64th street on Pointe Place.
