
HAVEN NEWS

Town Hall Meeting March 28th @ 7:00pm. 2023

Invitation to Join your host, **Gary Kiffmeyer** Tuesday.

Haven Township will be pleased to see you at the Neighborhood AED Program Launch. Learn how you can be involved as an advocate for health.

Location: 4530- 45th Ave SE
St. Cloud, MN 56304

- A key mission of Haven Township and Advocates4Health is to provide access to AED's in effort to save more lives from sudden cardiac arrest. Placing AED's in outdoor Smart Monitored Cabinets is how to ensure the AED are always available 24-7
- Your neighborhood is a priority based on the distance from first medical response. Several more Haven locations for life-saving AED devices are now in the planning stage with further discussions.
- Location with easy access to public, summer and winter

- Area alert notification list will verified on regular basis as a tested event.
- Subscribe to Haven notification located on website.
- Interested to host or sponsor a Haven AED device in your area? Contact Eric Meyer.

The location of Out-of-Hospital Cardiac Arrests (OHCA) most often occurs in homes/residences (73.4%), followed by public settings (16.3%), and nursing homes (10.3%).

If performed immediately, CPR / AED can double or triple the chance of survival from an out-of-hospital cardiac arrest.

Myth:

Only trained personnel are allowed to use AEDs

Fact:

AEDs are lifesaving devices with visual and voice prompts that are designed for use by laypersons
