

**RESOLUTION OF THE JACKSON TOWNSHIP
BOARD OF SUPERVISORS
RESOLUTION NO. 03-03**

WHEREAS, the Pennsylvania Department of Transportation (PennDOT) is willing, with Federal Aid, to furnish and install interchange lighting systems along U.S. Route 22 in Cambria County; and,

WHEREAS, the installation of interchange lighting systems must be approved as part of the PennDOT Twelve Year Transportation (Highway) Programming process before highway funds can be expended; and,

WHEREAS, in order to secure Twelve Year Programming approval, a commitment from local municipalities and Cambria County to accept responsibility for 50 percent of the annual energy and maintenance costs of the interchange lighting systems; and,

WHEREAS, PennDOT will provide the remaining 50 percent match of the annual energy and maintenance costs of the interchange lighting systems; and,

WHEREAS, the municipality of Jackson Township recognizes the importance of interchange lighting to foster economic development and improve safety along U.S. 22; and

THEREFORE, BE IT RESOLVED by the municipality of Jackson Township that the Cambria County Commissioners be encouraged to commit County funds toward the total annual energy and maintenance costs for the interchange lighting systems; and

BE IT FURTHER RESOLVED, that the municipality of Jackson Township shall agree to commit 25% of the annual energy and maintenance costs for the PA Route 271 Mundy's Corner Interchange; State Route 3041 - Dishong Mountain Road Interchange, and the Jug Handles to be located in the vicinity of SR 3045 - Chickaree Hill Road and County Line Road, all located within the municipality of Jackson Township.

BE IT FURTHER RESOLVED, that the above financial commitment on the part of Jackson Township is contingent upon a similar 25% match approved by the Board of Cambria County Commissioners.

Municipality of JACKSON TOWNSHIP
