Our regular pick-up day is Friday. There are only seven (7) weeks when the scheduled day will be delayed until Saturday due to holidays,

Days circled in pink are holidays that the landfill is closed. During weeks including one of these holidays, our pick-up day will be delayed until Saturday.

Saturdays circled in green are the altered pick-up days when there is a holiday earlier in the week.

Please have your containers on the curb or the side of the road by 6:00 am on pick-up day. Containers must not be placed on the road surface as it creates a hazard for everybody using the roads. Containers must be at least 3 feet from each other and other objects. Do not overfill your container. Anything longer than 4 feet is too large for our containers and must be cut down. If you need an extra container, please fill out the form on the city website at lewistonutah.gov. Do not put hot ashes or coals in your container. If it melts, you are responsible for the replacement fee. Thank you for your cooperation!
