**School will be back in session before we know it. The city continues to work on possible solutions to our sewer system, and I feel we have a potential source of funding to implement and construct our planned improvements. We have done our summer chipping and road repair. We applied new asphalt and widened parts of the road on 2400 west before we had the county chip seal most of 2400 west. We spent about \$80,000 on chip sealing but are not able to cover all the city streets as quickly as we would like. We have another fiscal year started with a good budget and did not increase property taxes again. We received some RAPZ funding, and we will be sealing the sports courts and building a restroom close by the sports court area over the next months. The days are getting shorter, and darkness comes a little earlier each day. Please be safe when on the roads and in your work and activities.**

**Mayor Jeff W. Hall**

The August  
primary election  
has been canceled.

A poster for the Jarica Jamison Band. It features a portrait of a woman with long blonde hair wearing a white cowboy hat. To the right of the portrait, the text "AUG 11 7PM" is displayed. Below the portrait, it says "Bring chairs · Refreshments @ the City Center Park west of church". On the right side, there is a circular logo with a star in the center and the text "JARICA COUNTRY/ROCK" and "JAMISON BAND" around it. In the top right corner, there is a small graphic of a park with trees and a bench, with the text "LEWISTON UTAH ALLIANCE CONCERT @ PARK" next to it.
