What a fabulous time of the year. For most of the city, the gardens and harvest seem to be wrapping up, if not finished. We have had a great rainstorm to soak into the ground. In Lewiston City, we continue to work towards finding adequate money to complete a sewer project to upgrade our existing lagoons and other improvements around the lagoons. We had another really good year of revenue collected, and increased our efficiencies with our workforce. We see other government arms increasing taxes at some pretty high rates. We are committed to improving our efficiency and doing more work ourselves to save money. We are mowing the sides of the streets for the final time this season and getting things prepared for winter. We live in a great community, and I would ask us all to be watchful of our neighbors and the elderly. Helping each other is a great way to show community spirit. May we all look to help our neighbors and others we see that may need a little help.

Mayor Jeff W. Hall

General Election Day is November 4th. Mail-in ballots will be sent out by Cache County beginning October 14th. Due to changes in the Utah Code, I highly recommend not mailing your completed ballot back to the county, but rather deposit it in any official ballot dropbox. In Lewiston, we have one at the corner of the theatre building, just south of the entrance doors. These boxes are emptied regularly by county election workers. The new code says that ballots must be received by election officials by 8:00pm on election day to be counted—it no longer matters what the postmark says. Inconsistencies within the postal system cannot guarantee your ballot will be delivered on time. Election information can be found on our website at lewistonutah.gov/elections. Thank you.
