We have been able to secure funding for the update to the sewer system. Engineers are finalizing the plans and documentation to send it out to bid. It should be ready to bid around the end of the year. One of our fulltime employees has left to return to California, so we are accepting applications for a full time public works person. This time of the year we celebrate Thanksgiving, may we all look for the things that we are grateful for in our lives here in Lewiston. We have some good neighbors and people around us. I had a neighbor reach out to me recently and ask if he could perform some service for me. It touched me that a great person would give of his time and more to help me with a project. Let us all try to be that kind of neighbor to our Lewiston neighbors.

Mayor Jeff W. Hall
