Mayor Bodily's Report

Spring is here, and with that comes a couple of important reminders.

Right now, our sewer system is at capacity. Please do not pump water from your homes into the sewer system. It is illegal, and more importantly, our system simply cannot handle the extra load. Staying mindful of this helps prevent bigger issues for everyone.

This time of year is also a good opportunity to get outside and clean up our yards and around town. It doesn't take much from each of us to make a noticeable difference, and those small efforts add up quickly.

I've had the chance to meet with our county executive and other county representatives both individually and in county meetings. I've been very impressed with their willingness to work with and support cities like ours. They're doing a great job, and it's encouraging to see that kind of cooperation.

-Mayor Bodily

THE LEWISTON CITY EASTER EGG HUNT

General Notice To Control Noxious Weeds

Notice is hereby given, pursuant to Section 4-17-6 of the Utah Noxious Weed Act, to every person who owns or controls land in Cache County, Utah, that noxious weeds standing, being, or growing on such land shall be controlled and the spread of same prevented by effective cutting, tillage, cropping, pasturing, treating with chemicals or other effective methods, or combination thereof, approved by the County Weed Supervisor, as often as may be required to prevent the weed from blooming and maturing seeds, or spreading by root, root stalks or other means.

Upon failure to comply with this notice, the owner or person in possession of property upon which noxious weeds are present shall be deemed negligent and enforced control measures may be imposed at the discretion of the County authorities. Expense of control measures employed by the County shall be paid directly by the owner or person in possession of the property and become collectible by taxes.
