**Public input:** none

The committee began their 2026 budget process, and will continue at their next meeting. Ward suggested the Town apply for a Community Investment Fund grant in the 4<sup>th</sup> quarter of 2025 to help fund the cost of replacing the Ellison Bay Marina launch pier in Spring of 2026. The Committee members shared some initial suggestions for updating the Town of Liberty Grove Comprehensive Outdoor Recreation Plan. Ward reported that the Community Investment Fund grant application for the Disc Golf Course in Gills Rock will be submitted prior to the September 22, 2025 deadline, and is seeking letters of support from local lodging owners indicating how having a nearby Disc Golf Course may impact their business.

There were no updates on the Garrett Bay Boat launch or Mariner Park. The clerk placed an order with the FastSigns of Appleton for the Equipment-less Boat Cleaning signs on June 16th and is waiting to hear back from them.
