## Important Dates

April 16- Annual Town meeting 7pm  
April 17 – Town Board Meeting 6pm

Liberty Grove's website can be found at: [libertygrovewi.gov](http://libertygrovewi.gov)

From our Town Chairman:

The Annual Town meeting is on April 16<sup>th</sup> at 7:00 pm at the Liberty Grove Town Hall on Old Stage Rd. The annual financial report will be available and newly elected officers will be sworn in. It is a time for committee chairs to report on the past 12 months and it is also a time for Liberty Grove residents to bring up topics they feel important. The board cannot act on these items at this meeting but they can be brought up at subsequent board meetings. We hope you can attend.

Much of our far north area has an official Dark Sky Designation. If there are plans for building or remodeling properties around the Newport State Park area take a look at this website to see how you can help maintain a dark sky. <https://darksky.org/resources/guides-and-how-tos/lighting-principles/> Even if your home or property isn't in the Newport State Park area, consider living with the dark sky guides. Looking up at the sky at night and seeing so many stars is something we must not take for granted.

Janet Johnson, Chairman

## Process for building a home or placing an accessory building on your property.

Many people call the office asking what the process is for adding structures to their property. Generally, speaking, the County deals with correct placement of structures on properties including well and septic and the Town deals with the actual construction of dwellings and accessory structures. The Town is under County Zoning so the first step is to go to the County Land Services department at 421 Nebraska St., Sturgeon Bay. Their phone number is 888-743-1844, ext. 2323. Once all permits are approved, you will then complete a Town of Liberty Grove building permit. The form can also be found on the Town website. [Libertygrovewi.gov](http://Libertygrovewi.gov)

Our building inspector is here on Thursday mornings from 8:30am to 10:00am. Appointments for other times are also possible. Call Dave Enigl at 920-493-2294. [dave@eServicesllc.us](mailto:dave@eServicesllc.us)

## Lake Michigan Lake Levels

The forecasted April 5<sup>th</sup> water level for Lake Superior approximates its level of a month ago, while Lakes Michigan-Huron, St. Clair, Erie, and Ontario are 2 to 3 inches above what they were a month ago. All of the Lakes are below their levels of a year ago, ranging from 4 to 11 inches lower than last year. Lakes Superior and Ontario are projected to be 2 and 5 inches, respectively, below their long-term April averages, whereas Lake Michigan-Huron's projected April 5<sup>th</sup> level matches its long-term April average level. Lake St. Clair and Erie are predicted to remain above their long-term April averages. Over the 30 days, water levels are expected to rise on Lakes Superior, Michigan-Huron, St. Clair, Erie and Ontario levels by 2 to 3 inches, while Lake Ontario is projected to climb 6 inches.

## From Door County North

[Jewel Peterson Ouradnik Will Story Slam on Saturday, April 20th](#)

### **Women's Fund of Door County: Story Slam tickets available March 15th**

The Women's Fund of Door County will present its 11th annual Tales of Our Lives Story Slam on Saturday, April 20. This year's event includes an exciting new collaboration with Northern Sky Theater, which will host the performance at its Gould Theater.

One of the story tellers this year will include Jewel Peterson Ouradnik.

Peterson Ouradnik tells a story about growing up on her family's resort in Rowley's Bay, which she and her husband owned until the devastating fire in 2023. She recounts that harrowing day and the difficult decision to ultimately sell the resort.

**Tuesday, April 23-Save the date for Door County North Spring Social at Solago Restaurant & Tequila Bar. More details soon.**

### **Ellison Bay Day at the Park-Parade**

The start of the Ellison Bay Day parade at 11am on Saturday June 22nd will close WI 42 for approximately 90 minutes. The highway closure will begin at 10:30 am with detour signs placed at Highview Road to route traffic around 42 and down Lakeview to Garrett Bay Road. More information about Ellison Bay Day in the Park will be shared soon. In the meantime basic event info can be found at [under events on the Ellison Bay Service Club's Facebook page.](#)
