DAYLIGHT SAVINGS TIME STARTS SUNDAY MARCH 09TH- DON'T FORGET TO SPRING AHEAD!

From our Town Chairman:

Only 48 days until Spring is here. Let's hope those 48 days are kind to us and we don't have too much snow to deal with.

On my last few visits to the Liberty Grove recycling drop off site I have seen a lot of boxes not flattened and items in the bin of mixed recycling that shouldn't be in there. Every box that isn't flattened takes away space for the next person to recycle their paper and cardboard. Every balled-up aluminum foil ball, dirty plastic food container or plastic bag creates problems for the recycle processing center. Paper bags do not belong in the mixed recycling bin. PLEASE flatten the boxes, clean out cans, and do not place items in the mixed recycling bin that don't belong there.

We are going to be saying good-bye to Walter Kalms. His contract is up at the end of 2025 and He feels it is time to retire. It will be very difficult to replace him with a person who has as much knowledge as he has in town government. Walter aka Bud has been with the Town of Liberty Grove since 1983 where he started as clerk with some administration duties. As years went on, he continued in this position until the duties of clerk were transferred to another person and he would be the town's administrator, which also included the duties of creating budgets every year. Although the finance committee is responsible for looking at the income and expense of the town, Bud would create spread sheets and provide data that would help this committee in their charge to develop a budget that was fiscally responsible and fell within the levy limits that the state put on us. Every employee and board member, current or past, for the town, wish him the very best in his next chapter.

Begin at the Vault Parking Lot and end at the Hillside Inn/Hugel Haus parking lot.

Snow Plowing

A reminder that this is snow plowing season. Plowing or shoveling the snow into or across town roads is not permitted and can result in fines. If you have your driveway plowed by a private individual, please remind them not to plow across town roads.

Process for building a home or placing an accessory building on your property.

Many people call the office asking what the process is for adding structures to their property. Generally, speaking, the County deals with correct placement of structures on properties including well and septic and the Town deals with the actual construction of dwellings and accessory structures. The Town is under County Zoning so the first step is to go to the County Land Services department at 421 Nebraska St., Sturgeon Bay. Their phone number is 888-743-1844, ext. 2323. Once all permits are approved, you will then complete a Town of Liberty Grove building permit. The form can also be found on the Town website. Libertygrovewi.gov

Our building inspector is here on Thursday mornings from 8:30am to 10:00am. Appointments for other times are also possible. Call Dave Enigl at 920-493-2294.

**SENIOR ADVOCATES FOR
INDEPENDENT LIVING**

SAIL (Senior Advocates for Independent Living) Wisconsin will present a free series of Winter Warmers, events designed to bring camaraderie to the community during the colder months.

The first event will be held Jan. 28, 12-3 pm at the NWTC Learning and Innovation Center, 2438 S. Bay Shore Dr. in Sister Bay. Further Winter Warmers are scheduled for Feb. 25 and March 25 at the same time and location.

Each event will begin with a complimentary soup lunch at noon, followed by activities including a guest speaker, games or a movie screening. Attendees can also learn more about SAIL Wisconsin's mission and community-focused initiatives.

With only 30 spots available per event, early registration is strongly encouraged. To reserve a spot, visit ageinplacedoorcounty.org.
