Important Dates

June 04th- Town Board Meeting 6pm
June 18th- Town Board Meeting 6pm

From our Town Chairman:

Greetings Dear Neighbors and Friends!

Here we are, rapidly approaching the big summer season. For you gardeners out there, it has been an extra busy Spring, dealing not only with the “normal” cleanup but also With the aftermath of the beautiful but devastating ice storm we all endured.

June is also the month that our Finance Committee begins working on the 2026 Town Budget. We do our very best to seriously analyze the Town’s assets and commitments...and to prioritize the use of those assets (YOUR precious tax dollars) to the best benefit of all our citizens.

This particular June is special in yet another way. We are excited to welcome, on June 15, Mr. D. Lee Buckingham II, who will be our new Town Administrator when Bud retires at the end of 2025. Mr. Buckingham will be “shadowing” Bud and learning from his 30+ years of experience. If you happen to stop into the Town office after the 15th, by all means give Lee a “thumbs up” and a very warm welcome to our beloved community!

Best to all...onward and upward!

nbg

Fireworks

When shooting fireworks over the 4th of July holiday please be aware that a permit is required through the Town office. It does require the signature of the Town Chairman and the Fire Chief.

Please plan to get your permit early, issuance of a permit the day before is not possible. The deadline to request a permit is June 20th.

It will require proof of liability insurance. That can be faxed to our office, 920-854-7366. Permit applications, are available on the Town's website.

Boating Season

The start of boating season is upon us. The Town has several launching areas, all requiring a launch permit or fee. It is \$5.00 if you are just paying for a single launch. You can also stop at the Town office Monday through Friday from 8:30 am to 1:00 pm to buy a seasonal pass which will allow unlimited launching for \$50.00. The launch fee applies to

kayaks and canoes as well as jet skis. The launch on Garrett Bay Road is for non-motorized launch only. Kayaks may NOT be stored at this location as many launches take place daily. All watercraft requires a launch fee or seasonal pass.

Lake Michigan Lake Levels

The forecasted May 23rd water levels are above levels from a month ago by 4 to 7 inches on all lakes as the lakes continue their seasonal rise. However, the projected May 23rd levels are below water levels from a year ago by 2 to 8 inches on Lakes Superior, Michigan-Huron, St. Clair, and Erie while they are above last year by 2 inches on Lake Ontario. Also, the predicted May 23rd water levels on Lakes Superior and Michigan-Huron are 2 to 4 inches below their long-term May averages, while Lakes St. Clair and Erie levels are 4 and 6 inches above their May average, respectively. Lake Ontario is near its long-term May average. Over the next month, water levels are forecast to rise on Lakes Superior, Michigan-Huron, and Ontario by 2 to 3 inches. Lake St. Clair is forecast to be near its current level a month from now and Lake Erie is forecast to decline 1 inch in the coming month.

What is Door County Ready?

Door County Ready the official emergency alerting and notification system of Door County Emergency Management. This system is used to send alerts to the public during emergencies. Door County Ready is powered by Smart 911 and is a free service that allows you to sign up online to receive customized alerts via text message, email, and voice message.

In addition to emergency alerts, you can also choose to receive customizable community notifications. These include notifications about severe weather, safety, health, utility disruptions, major traffic incidents, and more. This service is provided by the Door County Emergency Management at no cost to the public; however, message and data rates may apply.

Why should I sign-up for Door County Ready Alerts?

When emergencies happen, be the first to know. The Door County Ready uses Alerts powered by Smart911 to send official, real-time alerts to the public with information about potentially life-saving actions they may need to take to keep themselves and their families safe. By signing up for Door County Ready you are taking a large step toward improving your personal safety.

Sign up now!
