10947 State Hwy 42
Sister Bay, WI 54234
920-854-5491
Waterfront-dc.com

Important Dates

October 1st- Town Board Meeting, 6pm
October 15th - Town Board Meeting, 6pm

Liberty Grove's website can be found at: libertygrovewi.gov

The Town of Liberty Grove has free mulch for the taking. Bring your trailer and a shovel, it's self-service. The mulch can be found behind the Town Hall on the north side, down the hill on the right, 11161 Old Stage Rd.

From the Town Chairman:

Greetings, fellow residents,

And Happy Fall to all! While the trees are working on their final colorful 'Hurrah' before the doldrums of November, we can catch our collective breaths in readiness for the upcoming festivals and, ultimately Winter. So ticks the clock of our Seasons once again.

I would like to take this opportunity to let you all know about a Liberty Grove governing feature of which you may be unaware. It is called "Concept Review," and is a wonderful tool if you have plans (or even think you may have plans) for any property development, be it an accessory building, an addition, new primary residence or a grand business venture. Our knowledgeable Planning Commission welcomes reviewing and discussing your plans with you on a preliminary basis. All you need to do is contact the Town office and request to be put on an upcoming Planning agenda for Concept Review. You do not need to submit "scaled" architectural site plans...ideas on note paper, drawings on the back of a napkin or nothing but your own voice...will suffice for a Concept Review. We can answer questions and help you to navigate the sometimes-daunting planning and zoning process of bringing your plans to fruition.

Check us out...we'd love to hear your ideas!

Be well,
nbg

REMEMBER

A delicious and nutritious lunch is provided by.

Lake Michigan Lake Levels

Forecasted water levels for September 26th are below the previous month's levels on all Great Lakes, except for Lake Superior, which is near its level of a month ago. Lake Superior is 3 inches above last year's level, while Lakes Michigan-Huron, St. Clair, Erie, and Ontario are 9, 8, 9, and 2 inches below last year's levels, respectively. Lakes Superior and Ontario are 2 inches below their long-term September averages, Lake Michigan-Huron is 8 inches below its long-term average, and Lakes Erie and St. Clair are both near their long-term average levels. All lakes are well above their record low levels and well below record high levels for September. All lakes are expected to start or continue their seasonal declines, with projected October 26th water levels falling between 1 and 5 inches for all lakes.

UWO UNIVERSITY OF WISCONSIN
OSHKOSH

Fall 2025 DOOR COUNTY PRIVATE WELL MONITORING PROGRAM

TESTING PARAMETERS

- Water droplet icon: Total coliforms/*E. coli* (quantification)
- Water droplet icon: Nitrate (Nitrate + nitrite as N)

Cost is only \$30*

*Discounted rate for the first 300 registrants; \$45 for those registering after the first 300 registrants.

Optional arsenic, pH, alkalinity, hardness and iron tests available at an additional cost of \$25

ABOUT THE PROGRAM

The University of WI Oshkosh has been offering discounted well water quality testing through this program since 2019. The goal of this program is to provide education about the importance of testing your well water as well as build a database of groundwater quality data in Door County.

HOW IT WORKS

- RSVP using the link or QR code below by October 10th
- Receive sampling kit in mail
- Attend a virtual forum to learn how to sample
- Return your kit October 24th and 25th at designated drop-off locations
- Receive your results & countywide summary of study

Registration accepted through October 10th

RSVP online at <https://uwo.sh/doorco-wells-fall25> or using the QR code

*Prepayment using a credit card is accepted when you RSVP online, otherwise mailed checks are accepted made out to UW Oshkosh. Note that sampling kits will not be mailed out until payment is received.

Sample drop-off is October 24th & 25th – mark your calendars!
