**CONTRACT: 2026-09 – EMERGENCY REPAIR OR REPLACEMENT OF UNDERGROUND SEWER MAINS AND MANHOLE STRUCTURES**

Date: January 6, 2026  
To: All Potential Bidders  
From: Anthony G. Stagliano, Sr., QPA  
RE: Response to Bidder Question 1

#	Received	Question	Response Date
1	01/06/2026	Question We noticed that your attached RFP does not include provisions for equipment pricing in conjunction with the labor for work being performed on an hourly basis. Is this omission an error and if not, how will we be compensated for equipment for T&M work?	01/06/2026

**Response by Owner**

The Schedule of Prices used in previous bid specifications for the above-titled services requested 92 rows of pricing be provided by Bidders/Proposers which at times proved to be "cumbersome and confusing" for some potential Bidders/Proposers.

The Owner reduced the Schedule of Prices to only 32 rows by eliminating the individual line-item pricing requirements for vehicles, equipment, labor, material, etc.

The Owner believes this concept streamlines the proposal process allowing Bidders/Proposers to provide a single inclusive price for each of the service/task line items outlined in the Schedule of Prices.
