

Town of Mosel
SHEBOYGAN COUNTY, WISCONSIN

RESOLUTION NO. 2023-01

BROADBAND COMMUNICATION/INTERNET SERVICES

WHEREAS, the Town electors approved the following resolution on January 25, 2023: that we, the town electors of the Town of Mosel, being duly assembled at the special town meeting on January 25, 2023, do hereby authorize the Town Board of the Town of Mosel to pursue the expansion of broadband communication/internet availability within the Town, including the specific authority to raise, borrow and spend funds for this purpose at a cost not to exceed one million dollars (\$1,000,000), pursuant of sec. 6.10(2)(a) and (d) of the Wisconsin Statutes.

NOW, THEREFORE, BE IT RESOLVED, The Town Board of Mosel acknowledges the directive from the Town electors and:

1. will pursue the expansion of broadband communication/internet availability within the Town, with a preference for buried fiber optic or similar technologies that offer flexibility and durability in the long term;
2. will raise, borrow, and spend funds not to exceed one million dollars (\$1,000,000) unless a greater amount is approved by the electors at a duly called town meeting pursuant to Ch. 60, Wis. Stats.; and
3. may cancel the project if grants or other funding cannot be secured to cover any project costs greater than one million dollars (\$1,000,000).

Adopted and approved by the Town Board of Mosel this 15th day of **February, 2023.**
