Day of Festival

I will be walking around with a lime green t-shirt with VENDORS on, greeting arriving vendors and assigning spaces.

Restrooms will be available.

If you need someone to take care of your booth to go to the bathroom or get something to eat or to look around, I would be happy to watch it for you. Just let me know if you see me, or you can call me at 920-216-5629.

You may stay longer than 3:00 if you want.

Mark your calendar, event to be held the second Saturday of October every year.
