SPECIAL Council Meeting DRAFT Minutes

RE: Georgia Cities Week Planning and Preparation

The Council approved \$544.50 for Mulch. However, the figure on which that dollar amount was calculated was way off. Since the mulch is part of the beautification for Georgia Cities Week, the proposals for mulch are here so a proper decision can be made. One is for the mulch only, to be delivered in three batches, and the Town will be responsible to spread. The other 2 include spreading. By addressing this now as opposed to the next Council meeting, the proper timing can be arranged to have it in place and beautiful on time.

It was learned this week, that the 12 inch depth is required for school playgrounds, but the recommended amount for other playgrounds is 3 – 6 inches depending on the amount of use..

From the July 19th Council Meeting minutes

In conjunction with the passing of Mayor Bradberry, some discussion occurred at the July 19th Council meeting regarding what could be done with the funds being sent “in memory of Mayor Bradberry”.

Several ideas were suggested:

Ball field named in his honor

Time capsule in conjunction with Town hall grand opening.

Picture on the wall in Town hall of Mayor and sign at the entrance to the town.

Benches in the park named for Mayor Toby.

All could be done in conjunction with Georgia Cities Week

Council member Evans moved to memorialize Toby Bradberry in association with the Grand Opening of the Town Hall by

- Renaming the ball field to Bradberry Field

- Include items relative to his life in a Time Capsule

- Commission and dedicate benches to be placed in the Town Park

- Take one of the road signs naming Toby as Mayor and hang it in the Town Hall with his picture beside it.

Council member Dawe seconded. Passed unanimously
