POST 4: HILDA KURTZ

POST 5: VIOLET DAWE

October 18, 2021

Regular Council Meeting 7:30pm

Agenda

Call to Order

Greetings and Declaration of Quorum

Agenda Setting – Consider moving “Georgia Cities Celebration” discussion to the end of the meeting.

Presentation of Draft Minutes from Previous Meeting

Presentation of Financial Statement

Citizen Comments on Non-Agenda Item:

Unfinished Business

1. Review ViaSat Contract- satellite to be placed on Town Hall property?
 - a. Received a call from Chris Higgins stating that ViaSat did not want to wait for Council meeting for an answer. They are moving on to solicit possible sites from residents. He was encouraged to make sure that whenever/if someone their offer, it would be imperative for the building permit process be strictly observed. Chris assured me that he would make sure the information was passed on to the department that handles the permitting process.
2. Participation in Georgia Cities Week October 23- review and finalize plans

New Business:

1. Building Permit – 2521 Ray’s Church Rd - Rob Fine- Garage for Yearwoods
2. Building Permit – 299 Hopping Rd Renovation of House – Stephen Goad
3. Building Permit High Shoals Elementary
4. Increase penalties for failure to procure permits before proceeding with building, demolition, addition, land clearing, etc. \$150.00?
5. Renew commitment to “Good Neighbor Initiative” – Margo Candelario -Council member Evans’ recommendation.
6. David Lawrence – suggest that a down spout be added to the front of the portico, to help with water run off (see pic) At present the single downspout is handling all the water from the front of the building resulting at times in the water overrunning the gutters, and furthermore contributing to the erosion of the parking lot gravel. His suggestion is another down spout on the other column to help diffuse the water.
7. DNR grant - Submission due by 11/1/2021
 - a. Consider requesting funds to “refurbish” the trail in the park woods.
8. LMG grant – Submission due by 10/31/2021
 - a. Authorize purchase of radar speed limit signs with memory bank to record speeders (3)?
 - b. Redo crosswalk on Elder Rd to make it more visible
 - c. Repair speed bump on Plantation Rd
 - d. Consider location of speed bumps. Use Asphalt company
9. Have Landscape company edge areas of walkway where grass is encroaching

Mayor’s Update:
