Eau Claire County, Wisconsin

Mid-Summer Greetings!

The Town Board hopes this newsletter finds you enjoying the summer season in Pleasant Valley. Hopefully, you have utilized the playground, watched a ball game, or had a picnic at the beautiful park in Cleghorn. If not, mark your calendars for Harvest Fest! The schedule of events can be found in this newsletter.

The fall harvest season is right around the corner. Please be careful of farm equipment on the roads and give them plenty of space. Did you know that the Town of Pleasant Valley is comprised of 33,554 acres, of which 31,358 are zoned for agricultural use?

Garbage Can Placement

We continue to have issues with garbage cans being placed in the traveled portion of the roadway. For safety reasons, please make sure your garbage cans are placed off the traveled portion of the roadway, in or next to your driveway and not across the road from your driveway. If your hauler requests anything different, they are in violation of

Town Ordinance 24-15-03 Section 4.1.1

“The hauler must require the container be placed in the driveway of the customer, off of the traveled portion of road. Haulers may not request customers to place any collection container across the road from the resident being serviced by said hauler.”

Generator Project Update

The Town, along with the Cleghorn Lions and Township Fire Department are working to secure funds to upgrade the Town Municipal building with a generator that will serve the entire building should the power fail. The Community Center will be equipped to serve displaced residents from Pleasant Valley and other surrounding communities in the case of a disaster. Town Government will continue to operate and the fire department will have full operations of their equipment and garage doors. This is an expensive project. Project updates can be found on our webpage under: Community>Generator Project. Fundraisers are ongoing, grants are being applied for and donations are appreciated. If you are interested in donating to this important project, please mail a check to: Town of Pleasant Valley, S10414 County Rd HHI, Eleva, WI 54738. Any amount is appreciated.

WILL YOU ANSWER THE CALL?

It's not what you look like, what degree you have, or where you come from. It's about heart. If you've got the heart to serve our surrounding communities in a way that few can, then we have everything you need. To continue providing a high level of service, Township Fire Department is actively recruiting community members to serve. If you have been considering joining Emergicare or Township Fire Department, now is the time to reach out. To apply contact Township Fire Department at www.townshipfire.org or contact Pleasant Valley Station #4 Battalion Chief John Norby at 715-577-4319.

Monthly meetings are the 1st and 2nd Mondays of each month at 6:30pm.

Cleghorn Harvest Fest Hustle

5K Run/Walk

Saturday September 6th at 9 am

Registration begins at 8 am

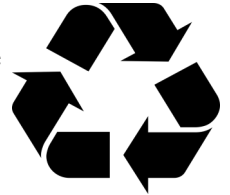

Annual Fireman's Breakfast

The Annual Fireman's Breakfast will be Sunday, Sept 7th from 7-11:30am in the Community Center.

EAU CLAIRE COUNTY RECYCLING PROGRAM

Eau Claire County offers free recycling drop off at various locations throughout the county. The recycle center in Pleasant Valley is located across from the fire station at S10405 Cty Rd HHI in Cleghorn. Eau Claire County employs attendants at this site. Regular hours are the 2nd and 4th Saturday of each month between the hours of 8-noon. Accepted recyclables are the same as curbside recycling: cardboard, cans, glass and certain plastic containers. More information can be found at: www.eauclairecounty.gov and search for "Recycling Program". The County also provides special events for other recyclable materials.

RAISING POULTRY

If you live in a Residential District and are interested in having chickens under the new county ordinance, check out their website for resources on applying for a license and keeping your backyard flock healthy.

each month at 7:00pm in the Town Hall. Agendas
are on the webpage and posted at the Town Hall.

Well Water Testing

The City County Health Department has water testing supplies available for residents in the county. Even without a change in color, smell, or taste of the water, many things like bacteria, nitrate, and metals can negatively affect your family's health. Last year 1 in 6 drinking water samples from Eau Claire County private wells tested positive for harmful bacteria. If you have a private well, yearly tests for at least bacteria and nitrate are recommended. Water test results are for your knowledge only. If your water result is unsafe, you can decide to treat your water or not. Visit the Eau Claire City-County Health Department website for more information.
