

Hazardous Waste Clean Sweep 2022

Many common items like automotive products, household cleaners, pesticides, and home improvement products are hazardous when used, stored, or disposed of improperly. Look for items that contain the following on their labels: **Danger, Warning, Caution, Poison, Combustible, Flammable, Corrosive, and Toxic.**

Thanks to our participants and volunteers, since our collection started in 1985, we have collected 1,114,346 pounds of unwanted chemicals.

REDUCTION IS YOUR FIRST CHOICE!

Before you buy:

- Read the labels
- Choose safer alternatives
- Buy the smallest amount needed for the job

After you buy:

- Follow directions for safe use
- Store properly in the original container
- Share what you can't use
- Dispose of leftovers properly

Other disposal or recycling options exist for many unacceptable items. Contact the Manitowoc County Recycling Center at 683-4333 or visit

Recycling.manitowoccountymi.gov

**All residents are encouraged to dispose of latex paint in their regular trash. Just take the lid off and let it dry or add paint hardener or cat litter. Once hardened, latex paint can be disposed of in the trash.*

Manitowoc County may modify guidelines at any time to meet the needs of the program.
