2. That all payments received will first be applied to the agreed-upon installment payment with the remaining amount being applied to the current charges.
3. That if current charges (future monthly charges), or any installment is not paid when due, service will be disconnected at the time of default. The service will not be reconnected until the entire balance is paid in full by cash or money order. If extenuating circumstances are proven to exist one new Deferred Payment Agreement may be offered to the customer.
4. A reconnection fee of \$35 during business hours shall be collected prior to reconnection of any disconnected service.

If you believe the terms of this agreement are unreasonable, DO NO SIGN IT. You have the right to suggest a different payment agreement. If you and the Reedsville Utility Department cannot agree on terms, you may ask the Public Service Commission of Wisconsin to review the disputed issues. If you sign this agreement, you agree that you owe the amount due under the agreement. Signing this agreement does not affect your responsibility to pay for your current service. Allowing any bill for current service to become delinquent places you in default of this agreement.
