Old Business:

Nolan Perrin has completed spreading existing piles of biosolids at Swatara coal lands. It appears that he will need more bio solids to complete the 25 acres he has graded off

Dirt and Gravel grant work is completed. Had our final walk thru with Conservation District. They will release our final check once paper work is reviewed

High Speed Internet, As of Monday, no known hook ups. Supposedly starting this week

Had a hazard mitigation seminar at Alvernia College in Pottsville October 4th. There were reps from various towns in the county and reps from county and state present.

Got a quote from Pioneer Building to erect a township office building, \$879,58. This is pretty much a turn key quote would not have to be bid since they are approved thru Costars unless we want to put out for bids Site work is being completed

Still trying to set up a meeting with Branch Twp on police matters

Memorial work is on- going, concrete contractor should be done this week

LSA grant is due end of November

Waterline grant is waiting for income survey to be reviewed by county and Benesch to see if we meet income eligibility guidelines

Trick or Treat October 31 rain date November 1st time 6:00 to 8:00 PM

Act 537

Open to public for comments and questions

New Business:
