Plan Commission Meeting Minutes

Dec 02, 2010

The Plan Commission Meeting was called to order by Carol Dull at 7:00 PM.

The meeting was properly noticed and posted in three locations in the Village of Roberts.

Present: Carol Dull, Jerry Weiss, Peter Tharp and Steve Melby.

Absent: Willard Moeri, Nathan Stork and Jay Newton

Visitors: John Bond, Terry Dull, Mark Ploederer-DOT, Jim Hilpert, Jim Schwalen, Tom Schuette, Brian Seibert, Tom Derrick, Bill Derrick, Steve Senrick and Jim Zeller.

- **Building Inspector Report** – Report was reviewed.
- **Hwy. 65 & 70th Ave. Intersection Discussion with Landowners and DOT**

Mark Ploederer from the DOT was present to help answer questions and comments on the intersection of Hwy. 65 and 70th Avenue. He presented three plans for a bridge to go over Hwy. 65. Some of the landowners were opposed to the bridge and would rather have a round-a-bout. The DOT feels there is not enough room for stop lights with the reconfiguration of I-94.

The landowners are going to try to get together and meet to discuss what would work best for them and possible positioning. The DOT will work on traffic modeling. Jim Koenig will contact the Village when the modeling is complete to set up another meeting with the landowners and DOT.

Motion to adjourn at 8:30 PM by Melby, seconded by Tharp. Motion carried.
