

Village of Roberts

Park Board - March 6, 2012 Park/Urban Forestry Board Minutes

The meeting of the Roberts/Urban Forestry Board was called to order on Tuesday, March 6, 2012, at 6:30 P.M. at the Roberts Park Building.

Members Present: Terry Dull, Don Gerhardt, Chuck Pizzi

Advisor: John Bond

Absent: Stacey Claessens, Barry Brandvold

Mike Deneen of Soil Doctor – St. Croix, spoke to the Board on advising the Board on future soil projects in the Village parks.

PARK BUILDING: The paneling has been removed, new insulation and the sheetrock installed on the walls and the electrical roughed in. The beams will be sheetrocked next. The contractor hopes to be done by the end of next week, but it is taking longer than expected due to the need for them to work around all the bookings of the building.

PAINT: Several colors were discussed for the colors for the walls and a contrasting color for the trim. No decision made, will look for additional input for color choice.

FANS: Discussion on replacing 3 of the small round ceiling light fixtures that are seldom used, with ceiling fans. John will get some prices.

There being no further business, motion by Terry Dull to adjourn, 2nd by Don Gerhardt.

Motion carried. Adjourned at 6:50 P.M.
