

Village of Roberts
Plan Commission Meeting Minutes

July 8, 2013 – 6:00 PM

The Special Plan Commission meeting was called to order at 6:05 by President Moeri.

Present: Carol Dull, Willard Moeri, Steve Melby, Peter Tharp and Nathan Stork.

Absent: Jerry Weiss and Marge Wolske.

Visitors: Angi Goodwin – Ayres Associates

The meeting was properly noticed and posted in three locations in the Village of Roberts.

- **Building Inspector Report** – Reviewed
- **Update on Engine Braking**

Angi Goodwin – Ayres Associates has been in contact with Greg Helgeson from the DOT regarding our noise ordinance and the positioning of the signs. Greg was fine with the proposed placement and our noise ordinance. Angi will prepare a formal request to the DOT (hard copy of information) for approval. A meeting will be scheduled with the Public Safety Committee to review the information and make a proposal to the Village Board if necessary.

- **Sign Ordinance Review**

Angi handed out a new chart that compared Hudson to Roberts, Hammond, River Falls and Baldwin. A comparison of current variances allowed for Hackman, Flying J and River States Truck was presented. Discussed if sign ordinances should be each district or maybe a table combining information for districts. This will be put on the August agenda and discuss with the Building Inspector, Todd Dolan.

Motion to adjourn at 6:40 by Melby, seconded by Dull. Motion carried.

Doreen Kruschke, WCPC, CMTW

Village Clerk/Treasurer
