

Discover Rome Area Family Trails

DO YOU: Enjoy bicycling? 

Like to run and/or walk? 

Snowshoe or cross country ski? 

Are you looking for safe routes for these activities in the beautiful Town of Rome?

DRAFT - **Who are we?** We are a group of Rome residents whose objective is to make silent (non-motorized) sports safer and more accessible within the town and surrounding areas. Our primary focus is to eliminate hazardous routes for these activities and provide safe alternatives.

Progress so far:

- Creation of bicycle/pedestrian trails in the Rome Business Park.
- A connection between Pritzl's and the gazebo
- Connection from the Business Park gazebo west to 13th Avenue

Future considerations:

- Trail signage
- Safe connection from the East side to the West side of Hwy 13
- Provide trail maps
- Add a bike lane on Apache to Queensway
- Possible flashing lights at a new bike crossing on Hwy 13
- Continue to source available trail construction grants
- Partner with other silent sport groups for trail sharing
- Other funding

Suggestions or questions contact Greg Broniec at: zoning@romewi.com or (715)325-8019.
