Rome Police Department Monthly Report October 2023

Meetings/Training Attended

During the month of October, I attended budget, town board, PFC, and staff meetings. I attended the Badger TraCS virtual conference. I also attended a breakfast briefing on wage and hour issues presented by VonBriensen & Roper. Officers completed firearms training with the City of Adams Police Department.

Calls for Service, Citations, and Written Warnings

In October, officers handled 148 calls for service, issued 61 citations, and 49 written warnings.

Department Activities/Announcements

We would like to remind our residents if you plan on leaving your home, for an extended period of time, please stop by the Police Department, or visit us online first. We have forms so you can provide us with your contact information should there be an emergency at your property.

With the recent taste of winter, I would like to remind residents that it is time to watch the conditions of the road carefully, while driving, and be aware of snow removal equipment on the roadways. State law requires the operator of any motor vehicle that is not a snowplow to remain at least 200 feet behind the snowplow, on roads with a speed limit of more than 35 MPH, and 75 feet behind on roadways posted at 35 MPH or less. The law also states if a snow plow is stopped at an intersection, the operator of any vehicle shall remain a minimum of 20 feet behind the snowplow, (out of the intersection) and shall remain stopped until the snowplow resumes motion.

Routine maintenance was done to the fleet in October.
