Rome Police Department Monthly Report November 2023

Meetings/Training Attended

During the month of November, I attended the annual budget, town board, Adams County Traffic Safety, NextEra Energy, and staff meetings. Officer Aldrich continues Emergency Medical Responder training.

Calls for Service, Citations, and Written Warnings

In November, officers handled 174 calls for service, issued 82 citations, and 25 written warnings.

Department Activities/Announcements

With colder weather and ice starting to form on the lakes, I would remind residents to be aware of ice conditions before deciding to go out on the ice. In the past, we have had vehicles go through the ice on the lakes. Even with extended periods of cold weather, ice conditions have been poor on the channel between upper and lower Lake Camelot. Venturing out onto this channel ice is not recommended at any time.

I encourage citizens that leave the area for an extended time to stop at the Town Hall and complete a vacant home form. This form will allow us to contact you should anything happen at your property.

I would like to remind residents, that it is time to watch the conditions of the road carefully, while driving, and be aware of snow removal equipment on the roadways. State law requires the operator of any motor vehicle, that is not a snowplow, to remain at least 200 feet behind the snowplow, on roads with a speed limit of more than 35 MPH, and 75 feet behind on roadways posted at 35 MPH or less. The law also states if a snow plow is stopped at an intersection, the operator of any vehicle shall remain a minimum of 20 feet behind the snowplow, (out of the intersection) and shall remain stopped until the snowplow resumes motion.

Routine maintenance was done to the fleet in November.
