Town of Rome Informational Meeting

Topic: Possible "Wake Boat" Ordinance

When: September 20, 2025, starting at 10:00 a.m.

Location: Rome Town Hall
1156 Alpine Drive
Rome, WI

The Rome Town Board will be conducting an "Informational Meeting" for town residents and property owners on the above date and time. The topic for this meeting will be a discussion on a "possible Town of Rome Wake Boat Ordinance".

There will be individuals from an organization called "Wisconsin Watersports Coalition", who will give a presentation on the use of "Wake Boats" on our three lakes.

After the presentation from the Wisconsin Watersports Coalition, there will be time for questions and answers from Town Residents which should be directed to the Town Board and the individuals from Wisconsin Watersports Coalition. Town Residents will be given three (3) minutes to speak.

The Rome Town Board would like to hear from town residents and what their thoughts are on enacting a Town Ordinance on the use of Wake Boats on our three lakes (Lake Camelot, Lake Sherwood, and Lake Arrowhead).

The Rome Town Board will NOT be making a final decision on whether a local ordinance on Wake Boats will be enacted. The Town Board is seeking Rome Town resident opinions on this issue.

A "DRAFT" wake boat ordinance will be available for residents to review.
