Do I qualify to participate in the Rental Property Program?
All individuals who own rental properties in the Sherburne Electric service territory are eligible to participate in the program.

How do I participate in the Program?
Participating is easy. All you need to do is submit this rebate form and a copy of the purchase receipt.

How will I receive the rebate?
Rebates will be sent out in the form of a check. Make sure you communicate your mailing address and not the physical address of the rental unit!!

Is there a limit on how much I can claim on rebates?
Yes, the limit is $500 per rental unit, and $3000 per landlord per year.

What is not included in the rebates?
The cost of installation.

Are there programmable thermostats for baseboard heaters?
Yes. There are programmables that are wall mounted and there are now programmables that replace the dial-type units right on the heater. Those old dial type are terrible to set, do a poor job of temperature control and end up wasting energy! Your tenants will be more comfortable, spend less on heat with programmable thermostats!!!
List of Available Rebates for Landlords Who Own Property in the Sherburne Electric Service Territory

**Replacement** Windows - $50 each

**Replacement** Ext. Doors - $100 ea

Weather-stripping – 50%

Insulation – 50% of material cost only – no labor reimbursement

Spray Foam – 50% of the total cost

Programmable Thermostats
Up to $25 ea. for low voltage
Up to $50 ea. for line voltage

Help retain those good tenants – spray foam the rim joists and seal up the basement!!!

Limited to $500 per rental unit, and $3000 per landlord per year.
